The Standard Service Terms and Conditions require the contractor/company/firm to provide the required insurance coverages.

In the event a proposal is submitted by a coordinator/individual who is not providing the insurance coverages and requests direct payments to Law Enforcement Officers on a biweekly basis, the CCRTA's costs of such insurance coverages and administrative costs in handling payments shall be taken into account in evaluating the price proposal.

The CCRTA has requested an open records request to all local law enforcement agencies to provide proof of all required insurances. This information will be provided in a future addendum when received.
