Information submitted in response to the Request for Proposals shall not be released by the CCRTA during the proposal evaluation process or prior to Contract award. Proposers are advised that the CCRTA may be required to release proposal information, other than trade secrets, after Contract award.

8. EVALUATION FACTORS.

- 8.1. The CCRTA will award contracts based upon the criteria set forth in the Request for Proposals. Contracts may be awarded on a lump sum basis or on a unit price basis, provided that in the event a contract specifies a unit price basis, the compensation paid by the CCRTA shall be based upon the actual quantities supplied.
- 8.2. Pre-award inspection of the proposer’s facility may be made prior to the award of the Contract. Proposals will be considered only from firms that are regularly engaged and

licensed in the business of providing the goods and/or services described in the Request for Proposals for a reasonable period of time; and have sufficient financial support, equipment, and organization to ensure that they can satisfactorily execute the services if awarded a Contract under the terms and conditions herein stated. The terms “equipment” and “organization” as used herein shall be construed to mean a fully-equipped and well-established company in line with the best business practices in the industry as determined by the CCRTA. In making the award, the CCRTA may consider any evidence available to it of the financial, technical, and other qualifications and abilities of a proposer, including past performance (experience) with the CCRTA and other similar customers. A record of nonperformance or poor performance may disqualify a proposer from award.

9. ELIGIBILITY FOR AWARD.

- 9.1. In order for a proposer to be eligible for award of the Contract, the proposal must be responsive to the Request for Proposals; and the CCRTA must be able to determine that the proposer is responsible to perform the Contract satisfactorily.
- 9.2. Responsive proposals are those complying with all material aspects of the Request for Proposals. Proposals which do not comply with all the terms and conditions of the Request for Proposals will be rejected as non-responsive.
- 9.3. Responsible proposers at a minimum must:
 - 9.3.1 Have adequate financial resources or the ability to obtain such resources as required during the performance of the Contract;
 - 9.3.2 Have a satisfactory record of past performance;
 - 9.3.3. Have necessary management and technical capability to perform;
 - 9.3.4. Be qualified as an established firm regularly engaged in the type of business to perform the Contract required by this Request for Proposals;
 - 9.3.5 Be otherwise qualified and eligible to receive an award under applicable federal, state, county, or municipal laws and regulations; and
 - 9.3.6 Certify that it is not on the U.S. Comptroller General’s list of ineligible contractors – signing and submitting the proposal is so certifying. (NOTE: This requirement is only applicable to federally-funded contracts.)
- 9.4. A proposer may be requested to submit written evidence verifying that it meets the minimum criteria necessary to be determined a responsible proposer. Refusal to provide requested information shall result in the proposer being declared not responsible, and the proposal shall be rejected.

10. RESERVATION OF RIGHTS.

The CCRTA expressly reserves the right to:

- 10.1. Reject or cancel any or all proposals;
- 10.2. Waive any defect, irregularity or informality in any proposal or proposal procedure;
- 10.3. Waive as an informality, minor deviations from specifications at a lower price than other proposals meeting all aspects of the specifications if it is determined that total cost is lower and the overall function is improved or not impaired;
- 10.4. Extend the proposal due date;
- 10.5. Reissue a Request for Proposals;
- 10.6. Procure any item or services by other means;
- 10.7. The CCRTA reserves the right to retain all proposals submitted. The selection or rejection of a proposal does not affect this right; and
- 10.8. The CCRTA reserves the right to negotiate a Contract with the proposer having the best evaluation as determined by the CCRTA. No award will be made automatically based upon the lowest price or based solely on the proposal submitted. The CCRTA additionally reserved the right to suspend negotiations with the first proposer should it not progress in a manner satisfactory to the CCRTA and commence negotiations with the next best rated proposer.

11. ACCEPTANCE.

Acceptance of a proposer's offer in some instances will be in the form of purchase orders issued by the CCRTA. Otherwise, acceptance of a proposer's offer will be by acceptance letters issued by the CCRTA. Subsequent purchase orders and release orders may be issued as appropriate. Unless the proposer specifies otherwise in the proposal, the CCRTA may award the contract for any item or group of items shown on the Request for Proposals.

12. PROTESTS.

In the event that a proposer desires to protest any procedure, the proposer should present such protest, in writing, to the CCRTA Chief Executive Officer within five (5) business days following the proposal due date. The protest shall state the name and address of the protestor, refer to the project number and description of the Request for Proposals, and contain a statement of the grounds for protest and any supporting documentation. For federally-assisted contracts, certain additional protest procedures apply and may be found in the Supplemental Conditions contained within the Request for Proposals.

13. EQUAL OPPORTUNITY.

Proposers are expected to comply with the Affirmative Action Programs of the CCRTA with respect to its provisions concerning contractors.

14. SINGLE PROPOSAL.

14.1. In the event a single proposal is received, the CCRTA will, at its option, either conduct a price and/or cost analysis of the proposal and make the award by negotiation or reject the proposal and revise the Request for Proposals. A price analysis is the process of examining the proposal and evaluating a prospective price without evaluating the separate cost elements. Price analysis shall be performed by comparison of the price quotations, with published price lists, or other established or competitive prices. The comparison shall be made to a purchase of similar quantity and involving similar specifications. Where a difference exists, a detailed analysis must be made of this difference and costs attached thereto.

14.2. Where it is impossible to obtain a valid price analysis, it may be necessary for the CCRTA to conduct a cost analysis of the proposal price. Cost analysis is the review and evaluation of a proposer's cost or pricing data and of the factors applied in projecting from such data the estimated costs of performing the contract, assuming reasonable economy and efficiency.

14.3. The price and/or cost analysis shall be made by personnel of the CCRTA's selection. The CCRTA's discretion exercised as to its options in this regard shall be final.

Contractor shall indemnify and hold harmless the CCRTA, its officers, employees, agents, attorneys, representatives, successors and assigns from any and all claims, demands, costs, expenses (including attorney's fees and expert witness fees), liabilities and losses of whatsoever kind or character arising out of or in connection with any act or omission of Contractor or its officers, employees or agents, during the term of this Contract. At all times during the term of this Contract, Contractor shall be an independent contractor to the CCRTA, and Contractor shall not in any event be deemed an employee or other representative of the CCRTA. Any persons employed by Contractor shall at all times hereunder be deemed to be the employees of Contractor, and Contractor shall be solely liable for the payment of all wages and other benefits made available to such employees in connection with their employ. Contractor shall remain solely responsible for the supervision and performance of any such employees in completing its obligations under this Contract. Contractor warrants that any such employees shall be fully covered by workers' compensation insurance and that each of such employees has been carefully screened as to character and fitness for the performance of his or her job.

Any such assignment, pledge or encumbrance shall be limited by any rights of offset by the CCRTA for damages or claims arising under this Contract or any other obligation owed by Contractor to the CCRTA.

10. AMENDMENTS.

No amendments, modifications or other changes to this Contract shall be valid or effective absent the written agreement of both parties hereto.

11. TERMINATION.

The CCRTA shall have the right to terminate for default all or any part of its Contract if Contractor breaches any of the terms hereof or if Contractor becomes insolvent or files any petition in bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies which the CCRTA may have in law or equity, specifically including, but not limited to, the right to sue for damages or demand specific performance. The CCRTA additionally has the right to terminate this Contract without cause by delivery to Contractor of a "Notice of Termination" specifying the extent to which performance hereunder is terminated and the date upon which such termination becomes effective.

12. ADVERTISING.

Contractor shall not advertise or publish, without the CCRTA's prior consent, the fact that it has entered into this Contract, except to the extent necessary to comply with proper requests for information from an authorized representative of the federal, state or local authorities.

13. GRATUITIES.

No gratuities in the form of entertainment, gifts, or otherwise, shall be offered or given by Contractor, or any agent or representative of Contractor, to any officer or employee of the CCRTA with a view toward securing a contract or securing favorable treatment with respect to a contract.

14.1. Treat all applicants and employees without discrimination as to race, color, religion, sex, national origin, marital status, age or handicap.

14.2. Identify itself as an "Equal Opportunity Employer" in all help wanted advertising or requests.

Contractor shall be advised of any complaints filed with the CCRTA alleging that Contractor is not an equal opportunity employer. The CCRTA reserves the right to consider such complaints in determining whether or not to terminate any portion of this Contract for which the services have not yet been performed; however, Contractor is specifically advised that no equal opportunity employment complaint will be the basis for denial of payment for any services already completed.

15. ENFORCEABILITY.

This Contract shall be interpreted, construed, and governed by the laws of the United States and the State of Texas and shall be enforceable in any state court of competent jurisdiction in Nueces County, Texas. Contractor shall comply with all applicable laws and regulations in performing under this contract.

Notices shall be given to the parties by delivering or mailing such notice to the addresses set forth in the Contract documents, or at such other addresses as the parties may designate to each other in writing.

17. INTERPRETATION.

This writing is intended by the parties as a final expression of their agreement and is intended also as a complete and exclusive statement of the terms thereof. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used herein, and acceptance of a course of performance rendered under this Contract shall not be relevant to determine the meaning of this Contract even though the accepting party has knowledge of the performance and opportunity for objection.

18. LIQUIDATED DAMAGES

For this RFP, liquidated damages have been included as part of the Scope of Work. Said damages are not imposed as a penalty but as an estimate of the damages that the CCRTA will sustain from delays or poorly performed work.
