

NOTICE OF FUNDING AVAILABILITY

FY 2018

CORPUS CHRISTI REGIONAL TRANSPORTATION AUTHORITY – CCRTA

Corpus Christi Regional Transportation Authority (CCRTA) administers the Federal Transit Administration's (FTA) Section 5310 Grant Program for the Corpus Christi Urbanized Area. The program aims to improve mobility for seniors and individuals with disabilities by removing barriers to transportation services and expanding transportation mobility options.

CCRTA is now accepting applications from eligible organizations whose potential project(s) is situated within the Corpus Christi Urbanized Area or originates in a rural area but whose final destination is situated within the Corpus Christi Urbanized area. The list of eligible applicants, projects and the funding application can be found at <http://www.ccrta.org/news-opportunities/5310-program/>
