The following instructions by the Corpus Christi Regional Transportation Authority, "CCRTA" are intended to afford bidders an equal opportunity to participate in the CCRTA's contracts.

2. EXPLANATIONS AND COMMUNICATIONS.

2.1 Any explanation desired by a bidder regarding the meaning or interpretation of these Instructions or any other bid documents must be requested in writing to the CCRTA's Procurement Department with sufficient time allowed for a reply to reach bidders before the submission of their bids.

2.2 Oral explanations or instructions will not be binding. Any information given to a prospective bidder concerning an invitation will be furnished to all prospective bidders as an amendment to the invitation if such information is necessary to bidders in submitting bids on the invitation or if the lack of such information would be prejudicial to uninformed bidders.

2.3 All communications regarding this solicitation - written, faxed, or e-mailed should be made directly to the Procurement Department. Any violation could be grounds for disqualification.

3. SPECIFICATIONS.

3.1. Bidders are expected to examine the specifications, any drawings, standard provisions and all instructions. Failure to do so will be at the bidder's risk. Bids which are submitted on other than authorized forms or with different terms or provisions may not be considered as responsive bids.

3.2. The apparent silence of the specifications as to any detail, or the apparent omission from it of a detailed description concerning any point, shall be regarded as meaning that only the best commercial practice is to prevail and that only material and workmanship of the finest quality are to be used. All interpretations of the specifications shall be made on the basis of this statement.

4. ALTERNATE BIDS.

The CCRTA may also consider and accept an alternate form of bid submitted by a bidder when most advantageous to the CCRTA; however, any alternate form of bid must be submitted for prior approval by the CCRTA. If the Bid Invitation indicates "approved equal" products are acceptable, the bidder must submit the proposed equivalent product for prior approval by the CCRTA. Unless a greater time is specified in the Bid Invitation,

specifications or other special instructions applicable to federal grant-funded contracts, any such alternate or proposed equal must be submitted to the CCRTA for approval prior to the close of business on the third regular working day preceding the bid date.

The bidder shall sign the Price Schedule and, when appropriate, the specifications, which documents shall collectively constitute the bidder's offer. Erasures or other changes must be initialed by the person signing the documents. Bids signed by an agent are to be accompanied by evidence of his authority unless such evidence has been previously furnished to the CCRTA.

5.2. The bidder should quote its lowest and best price. If delivery and shipping quantities affect a unit bid price, multiple bids may be made so as to indicate "price break" quantities in order for the CCRTA to determine maximum economic benefits. Pricing should include packaging and transportation unless otherwise specified. All prices shall be entered on the Price Schedule in ink or be typewritten. Totals shall be entered in the "Total Price" column of the Price Schedule, and in case of discrepancy between the unit price and the extended total price, the unit price will be presumed to be correct.

5.3. Bids must be firm. If the bidder believes it necessary to include in its price a price adjustment, however, such a bid may be considered but only as an alternate bid.

5.4. Bids on items should be quoted F.O.B. destination. If the quoted price does not include transportation charges, such charges must be itemized separately; provided, however, that the CCRTA shall have the right to designate what method of transportation shall be used to ship the goods.

9. REFERENCES.

The CCRTA may require that bidders supply a list of pertinent references within three working days of the CCRTA’s request.

10. EVALUATION FACTORS.

10.1 CCRTA will award contracts based upon the lowest responsible bid, price and other factors considered. Contracts may be awarded on a lump sum basis or on a unit price basis, provided that in the event a contract specifies a unit price basis, the compensation paid by the CCRTA shall be based upon the actual quantities supplied.

10.2. In determining the “lowest responsible” bid, the CCRTA may consider, in addition to price, other factors such as compliance with the bid documents, delivery requirements, costs of maintenance and operations, training requirements, warranties, availability of repairs or other services, the financial or other qualifications and abilities of the bidder, past performance of the bidder, other factors contributing to the overall costs, both direct and indirect, related to an item, and compliance with the CCRTA’s Affirmative Action policies and goals. A record of poor performance or nonperformance on prior work may disqualify a bidder.

10.3. In the event identical bids are submitted which are determined by the CCRTA to be the lowest responsible bids, if only one of such bidders is a resident of the CCRTA, the contract must be awarded to that bidder. Otherwise; the successful bidder shall be selected by the casting of lots as provided in Section 271.901 of the Local Government Code.

10.4. For contracts not involving federal funds, in the event a bid is submitted by a "Nonresident Bidder" as defined under Chapter 2252 of the Texas Government Code, additional evaluation factors may apply if in the home state of the nonresident bidder a preference exists in favor of local bidders. The nonresident bidder will be required to underbid any Texas bidder for this contract by the same amount that a Texas bidder would need to underbid the nonresident bidder in order to be awarded a contract in the nonresident bidder's home state. Bidders may contact the CCRTA or the Texas General Services Commission for information concerning particular state requirements.

11. RESERVATION OF RIGHTS.

The CCRTA expressly reserves the right to:

11.1. Reject or cancel any or all bids;

11.2. Waive any defect, irregularity or informality in any bid or bidding procedure;

11.3. Waive as an informality, minor deviations from specifications at a lower price than other bids meeting all aspects of the specifications if it is determined that total cost is lower and the overall function is improved or not impaired;

11.4. Extend the bid opening time and date;

11.5. Reissue a bid invitation;

11.6. Consider and accept an alternate bid as provided herein when most advantageous to the CCRTA; and

11.7. Procure any item or services by other means.

12. ACCEPTANCE.

Acceptance of a bidder's offer in some instances will be in the form of purchase orders issued by the CCRTA. Otherwise, acceptance of a bidder's offer will be by acceptance letters issued by the CCRTA. Subsequent purchase orders and release orders may be issued as appropriate. Unless the bidder specifies otherwise in the bid, the CCRTA may award the contract for any item or group of items shown on the Bid Invitation.

13. BID PROTESTS.

In the event that a bidder desires to protest any bidding procedure, the bidder should present such protest, in writing, to the CCRTA Chief Executive Officer within five (5) business days following the date the board awards the contract. The protest shall state the name and address of the protestor, refer to the project number and description of the solicitation, and contain a statement of the grounds for protest and any supporting documentation. For federally-assisted contracts, certain additional bid protest procedures apply and may be

found in the Supplemental Conditions contained within the bid documents.

14. EQUAL OPPORTUNITY.

Bidders are expected to comply with the Affirmative Action Programs of the CCRTA with respect to its provisions concerning contractors. The CCRTA expressly reserves the right to consider such compliance in determining the lowest responsible bidder.

15. SINGLE BID.

In the event a single bid is received, the CCRTA will, at its option, either conduct a price comparison of the bid and make the award or reject the bid and re-advertise. A price analysis is the process of examining the bid and evaluating a prospective price without evaluating the separate cost elements. Price analysis shall be performed by comparison of the price quotations, with published price lists, or other established or competitive prices. The comparison shall be made to a purchase of similar quantity and involving similar specifications.

16. SALES TAX EXEMPTION.

The CCRTA qualifies for exemptions of Sales, Excise, and Use Taxes under the Texas Tax Code with political subdivisions of the State of Texas.

The brake system material and design will be selected to absorb and dissipate heat quickly so the heat generated during braking operation does not glaze brake linings. Contractor shall bear the cost of packaging unless otherwise provided. Goods shall be suitably packed to secure lowest transportation costs and to conform with requirements of common carriers and any applicable specifications. The CCRTA's count or weight shall be final and conclusive on shipments not accompanied by packing lists.

4. NO SHIPMENTS UNDER RESERVATION.

Contractor is not authorized to ship the goods under reservation and no tender of a bill of lading shall operate as a tender of goods.

5. TITLE AND RISK OF LOSS.

The title and risk of loss of the goods shall not pass to the CCRTA until it actually receives and takes possession of the goods at the point or points of delivery. The terms of this Agreement are "no arrival, no sale."

6. PURCHASE OR RELEASE ORDER.

The CCRTA shall exercise its right to specify time, place, and quantity to be delivered in the following manner: Any of the CCRTA's separate departments or divisions may send to Contractor a purchase or release order signed by an authorized agent of the department or division. The order shall refer to this Supply Agreement and shall specify item, quantity, delivery date, shipping instructions and receiving address of the ordering department or division. The CCRTA shall have the right to inspect the goods at delivery prior to acceptance.

7. DEFAULT IN ONE INSTALLMENT TO CONSTITUTE TOTAL BREACH.

Each installment or lot of goods delivered under this Agreement is dependent on every other installment or lot, and a delivery of non-conforming goods or a default of any nature on one installment or lot will impair the value of the whole Agreement and shall constitute a breach of the Agreement as a whole.

8. NO REPLACING DEFECTIVE TENDER.

Every tender or delivery of goods must fully comply with all provisions of this Agreement as to time of delivery, quality, fitness or use and the like. If a tender is made which does not fully conform, such failure shall constitute a breach of the Agreement, and Contractor shall not have the right to substitute a conforming tender; provided, however, that if the time for performance is not yet expired, the Contractor may reasonably notify the CCRTA of its intention to cure and may then make a conforming tender within the required time.

9. INVOICES AND PAYMENTS.

Contractor shall submit separate invoices, in duplicate, on each purchase order or purchase release after each delivery. Invoices shall indicate the purchase order or purchase release number and the supply agreement number if applicable. Invoices shall be itemized and transportation charges, if any, shall be listed separately. A copy of the bill of lading and the freight waybill when applicable should be attached to the invoice and mailed to the CCRTA at the address specified on the purchase order or acceptance letter. Payment shall not be due until thirty (30) days after the date the above instruments are submitted or delivery, whichever is later. In the event payment has not been made by the due date, Contractor shall submit a reminder invoice marked "order due." The CCRTA reserves the right to review all of Contractor's invoices after payment and recover any overcharge resulting from such review.

10. WARRANTY-PRICE.

The price to be paid by the CCRTA shall be that price contained in Contractor's bid which Contractor warrants to be no higher than Contractor's current prices on orders by others for products of the kind and specification covered by this Agreement for similar quantities under similar conditions and methods of purchase. In the event Contractor breaches this

warranty, the prices of the items shall be reduced to the Contractor's current prices on orders by others, or in the alternative, the CCRTA may cancel this Agreement without liability to Contractor for breach for Contractor's actual expenses. If the stated price includes the cost of any special tooling or special test equipment fabricated or required by Contractor for the purpose of filling this order, such special tooling or equipment and any process sheets related thereto shall become the property of the CCRTA.

11. WARRANTY-PRODUCT.

Contractor shall not limit or exclude any implied warranties and any attempt to do so shall render this Agreement voidable at the option of the CCRTA. Contractor warrants that the goods furnished will conform to the specifications, drawings, and descriptions listed in the Bid documents, and to the sample(s) furnished by the Contractor, if any. In the event of a conflict between the specifications, drawings, and descriptions, the specifications shall govern. The goods furnished shall be new and of good and merchantable quality in workmanship and materials.

12. WARRANTY-SAFETY.

Contractor warrants that the product sold to the CCRTA shall conform to the standards promulgated by the U.S. Department of Labor under the Occupational Safety and Health Act (OSHA). In the event the product does not conform to OSHA standards, the CCRTA may return the product for correction or replacements at the Contractor's expense. In the event Contractor fails to make the appropriate correction within a reasonable time, correction may be made by the CCRTA at Contractor's expense.

13. WARRANTY-INFRINGEMENTS.

Contractor agrees to ascertain whether goods manufactured in accordance with the specifications will give rise to the rightful claim of any third person by way of infringement or the like. If Contractor is of the opinion that an infringement or the like will result, it shall notify the CCRTA to this effect in writing within two weeks after signing of this Agreement. If the CCRTA does not receive notice and is subsequently held liable for the infringement or the like, Contractor shall indemnify the CCRTA for any damages due to such claim. If Contractor in good faith ascertains that delivery of the goods in accordance with the specifications will result in infringement or the like, this Agreement shall be null and void except that the CCRTA shall pay Contractor for the reasonable cost of its search as to infringements.

14. ESTIMATED QUANTITIES.

The estimated quantities noted in the Price Schedule are approximate. These quantities are to be used only for the comparison of bids and the award of this Agreement and are based on past and projected usage. Contractor agrees and understands that the actual quantities to be utilized are within the sole and absolute discretion of the CCRTA. Should the actual quantities be greater or lesser than the estimates contained in the Price Schedule, Contractor agrees that, regardless of the amount of such variance, it shall not be the basis for deviating from the quoted unit prices. Further, the Contractor agrees to honor quoted unit prices for the duration of this Agreement.

15. SUBSTITUTE SUPPLIERS.

In the event that Contractor fails to supply the goods to the CCRTA in the amounts requested or fails to furnish replacement goods for any defective merchandise submitted to the CCRTA within five (5) business days from the date of notice, the CCRTA shall have the right to purchase from any substitute source the amount of the goods due from the Contractor. The CCRTA shall have the right to recover from the Contractor as damages any amount by which the cost of such substituted goods exceeds the contract price which would have been applicable, together with the cost of any incidental expenses reasonably incurred by the CCRTA in making such substituted purchase and the amount of any consequential damages allowable by law. The CCRTA reserves the right to offset such amounts against the price due for any goods subsequently supplied by the Contractor or any other obligations owed to Contractor.

16. TERMINATION.

The CCRTA shall have the right to terminate for default all or any part of this Agreement if Contractor breaches any of the terms hereof or if the Contractor becomes insolvent or files any petition in bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies which the CCRTA may have in law or equity, specifically including, but not limited to, the right to sue for damages or demand specific performance. The CCRTA additionally has the right to terminate this Agreement without cause by delivery to the Contractor of a "Notice of Termination" specifying the extent to which performance hereunder is terminated and the date upon which such termination becomes effective.

17. ASSIGNMENT-DELEGATION.

No right or interest in this Agreement shall be assigned or any obligation delegated by Contractor without the written permission of the CCRTA.

18. MODIFICATIONS-WAIVER.

This Agreement can be modified or rescinded only by a writing signed by both of the parties. No claim or right arising out of a breach of this Agreement can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party.

19. INTERPRETATION.

This writing is intended by the parties as a final expression of their agreement and is intended also as a complete and exclusive statement of the terms thereof. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used herein, and acceptance of a course of performance rendered under this Agreement shall not be relevant to determine the meaning of this Agreement even though the accepting party has knowledge of the performance and opportunity for objection.

20. APPLICABLE LAW.

This Agreement shall be governed by the Uniform Commercial Code as adopted in the State of Texas and in force on the date of this Agreement.

21. ADVERTISING.

Contractor shall not advertise or publish, without the CCRTA's prior consent, the fact that it has entered into this Agreement, except to the extent necessary to comply with proper requests for information from an authorized representative of the federal, state or local authorities.

22. GRATUITIES.

No gratuities, in the form of entertainment, gifts, or otherwise, shall be offered or given by Contractor, or any agent or representative of Contractor, to any officer or employee of the CCRTA with a view toward securing a contract or securing favorable treatment with respect to a contract.

23. EQUAL OPPORTUNITY.

Contractor agrees that during the performance of this Agreement it shall:

23.1 Treat all applicants and employees without discrimination as to race, color, religion, sex, national origin, marital status, age or handicap.

23.2 Identify itself as an "Equal Opportunity Employer" in all help wanted advertising or requests.

Contractor shall be advised of any complaints filed with the CCRTA alleging that Contractor is not an equal opportunity employer. The CCRTA reserves the right to consider such complaints in determining whether or not to terminate any portion of this Agreement for which purchase orders or authorities to deliver have not been issued; however, Contractor is specifically advised that no equal opportunity employment complaint will be the basis for termination of this Agreement for which a purchase order or authority to deliver has been issued.

24. ENFORCEABILITY.

This Agreement shall be enforceable in any state court of competent jurisdiction in Nueces County, Texas.

25. NOTICES.

Notices shall be given to the parties by delivering or mailing such notice to the addresses set forth in the contract documents, or at such other addresses as the parties may designate to each other in writing.

If termination is for contractor's failure to fulfill contract obligations, the municipal corporation may complete the work by contract or otherwise and contractor shall be liable for any additional cost incurred by the municipal corporation. If, after termination for failure to fulfill contract obligations, it is determined that contractor was not in default, the rights and obligations of the parties shall be the same as if termination had been issued for the municipal corporation's convenience.

9. Debarment and Suspension

This contract is a covered transaction for purposes of 49 CFR Part 29. As such, the contractor is required to verify that none of the contractors, its principals, as defined at 49 CFR 29.995, or affiliates, as defined at 49 CFR 29.905, are excluded or disqualified as defined at 49 CFR 29.940 and 29.945. The contractor is required to comply with 49 CFR 29, Subpart C and must include the requirement to comply with 49 CFR 29, Subpart C in any lower tier covered transaction it enters into. By signing and submitting its bid or proposal, the bidder or proposer certifies as follows: The certification in this clause is a material representation of fact relied upon by the municipal corporation. If it is later determined that the bidder or proposer knowingly rendered an erroneous certification, in addition to remedies available to the municipal corporation, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or proposer agrees to comply with the requirements of 49 CFR 29, Subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

10. Buy America

Contractor shall comply with 49 USC 5323(j) and 49 CFR 661, stating that Federal funds may not be obligated unless steel, iron, and manufactured products used in FTA-funded projects are produced in the United States, unless a waiver has been granted by FTA or the product is subject to a general waiver. General waivers are listed in 49 CFR 661.7, and include final assembly in the US for 15 passenger vans and 15 passenger wagons produced by Chrysler Corp., software, microcomputer equipment and small purchases (currently less than \$150,000) made with capital, operating, or planning funds. Separate requirements for rolling stock are stated at 5323(j)(2)(C) and 49 CFR 661.11. Rolling stock must be manufactured in the US and have a minimum 60% domestic content. A bidder or offeror shall submit appropriate Buy America certification to the recipient with all bids on FTA- funded contracts, except those subject to a general waiver. Proposals not accompanied by a completed Buy America certification shall be rejected as nonresponsive. This requirement does not apply to lower tier subcontractors.

11. Resolution of Disputes, Breaches, or Other Litigation

Disputes arising in the performance of this contract which are not resolved by agreement of the parties shall be decided in writing by the municipal corporation's authorized representative. This decision shall be final and conclusive unless within ten days from the date of receipt of its copy, contractor mails or otherwise furnishes a written appeal to the municipal corporation's CEO. In connection with such appeal, contractor shall be afforded an opportunity to be heard and to offer evidence in support of its position. The decision of the municipal corporation's CEO shall be binding upon contractor and contractor shall abide by the decision. Performance During Dispute - Unless otherwise directed by the municipal corporation, contractor shall continue performance under this contract while matters in dispute are being resolved. Claims for Damages - Should either party to the contract suffer injury or damage to person or property because of any act or omission of the party or of any of his employees, agents or others for whose acts he is legally liable, a claim for damages therefore shall be made in writing to such other party within ten days after the first observance of such injury or damage.

Remedies - Unless this contract provides otherwise, all claims, counterclaims, disputes and other matters in question between the municipal corporation and contractor arising out of or relating to this agreement or its breach will be decided by arbitration if the parties mutually agree, or in a court of competent jurisdiction within Connecticut State.

Rights and Remedies - Duties and obligations imposed by the contract documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by the municipal corporation or contractor shall constitute a waiver of any right or duty afforded any of them under the contract, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as may be specifically agreed in writing.

12. Lobbying

Byrd Anti-Lobbying Amendment, 31 U.S.C. 1352, as amended by the Lobbying Disclosure Act of 1995, P.L. 104-65 [to be codified at 2 U.S.C. § 1601, et seq.] - Contractors who apply or bid for an award of \$100,000 or more shall file the certification required by 49 CFR part 20, "New Restrictions on Lobbying." Contractor shall submit, if a foreign air carrier was used, an appropriate certification or memorandum adequately explaining why service by a US flag air carrier was not available or why it was necessary to use a foreign air carrier and shall, in any event, provide a certificate of compliance with the Fly America requirements. POLICY STATEMENT

To provide full participation and equality of opportunity for people with disabilities, people who are aging and other people with access and functional needs, the Corpus Christi Regional Transportation Authority (CCRTA) Board of Directors calls for all CCRTA departments, within their regular duties and responsibilities, to establish a commitment to access.

IMPLEMENTATION

Effective implementation of the Accessibility Policy statement begins with the establishment of a Universal Access Team. Each CCRTA department will designate sufficient and appropriate team members to serve and meet monthly to ensure compliance with the policy. This team will help develop guiding principles in conjunction with the CCRTA Regional Committee on Accessible Transportation (RCAT). Meeting of the Universal Access Team will be coordinated through the designated CCRTA ADA Coordinator and report current activities and initiatives to the Chief Executive Officer (CEO).

Support of all CCRTA staff will include initial and ongoing training and professional development regarding integration and elimination of barriers for people with disabilities, people who are aging and other people with access and functional needs.

Additional tools available to all CCRTA staff will include the use of an Impact Statement (approved by the CEO) to ensure an effective outcome. The Impact Statement will provide for the review of programs, projects, and developing or ongoing CCRTA services that answer, at a minimum, the following questions:

- Are any barriers being created for people with disabilities, people who are aging and other people with access and functional needs?
- Is CCRTA enhancing access and integration for people with disabilities, people who are aging and other people with access and functional needs?

POLICY REVIEW

Review of this policy will be done no less than annually or more frequently as needed. To complement the review, CCRTA staff through the Universal Access Team will establish procedures and conduct the following:

- Establish Review Baseline
- Conduct Internal Review of Regulatory Compliance to include an ongoing ADA Performance Monitoring Program for all modes of transportation
