**Total Estimated Time: 1 hr. 11 min.**

*On Friday, March 1, 2019 this Notice was posted by Dena Linnehan at the CCRTA Staples Street Center, 602 N. Staples Street, Corpus Christi, Texas; and sent to the Nueces County and the San Patricio County Clerks for posting at their locations.*

**PUBLIC NOTICE** is given that the Board may elect to go into executive session at any time during the meeting in order to discuss matters listed on the agenda, when authorized by the provisions of the Open Meetings Act, Chapter 551 of the Texas Government Code. In the event the Board elects to go into executive session regarding an agenda item, the section or sections of the Open Meetings Act authorizing the executive session will be publicly announced by the presiding officer.

In compliance with the Americans with Disabilities Act, individuals with disabilities who plan to attend this meeting and who may need auxiliary aids or services are requested to contact the Assistant Secretary to the Board at (361) 903-3474 at least 48 hours in advance so that appropriate arrangements can be made. **Información en Español:** Si usted desea esta información en Español o en otro idioma, por favor llame al teléfono (361) 289-2712.

**Mission Statement**
The Regional Transportation Authority was created by the people to provide quality transportation in a responsible manner consistent with its financial resources and the diverse needs of the people. Secondly, The RTA will also act responsibly to enhance the regional economy.

**Vision Statement**
Provide an integrated system of innovative, accessible and efficient public transportation services that increase access to opportunities and contribute to a healthy environment for the people in our service area.

    b) Member Inquiry Forms:
        1. Board Meeting– January 2, 2019
        2. Committee Meetings– No meetings scheduled in December, 2018

The Corpus Christi Regional Transportation Authority Board of Directors met at 8:30 a.m. in the Corpus Christi Regional Transportation Authority Staples Street Center facility located at 602 N. Staples Street, 2nd Floor Board Room, Corpus Christi, Texas.
Board Members Present: Edward Martinez, Board Chair; Michael Reeves, Board Vice Chair; Dan Leyendecker, Board Secretary; George B. Clower; Glenn Martin, Scott Harris; Patricia Dominguez; Anne Bauman; Philip Skrobarczyk and Matt Woolbright.

Board Members Absent: Tom Niskala

Staff Present: Jorge Cruz-Aedo, CEO; David Chapa, Jennifer Fehribach, Angelina Gaitan, Monica Jasso, Dena Linnehan, Derrick Majchszak, Michelle Martinez, Rita Patrick, Mike Rendón, Gordon Robinson, Robert Saldaña, and Jeremy Sirio

Public Present: John Bell, Wood, Boykin, Wolter, CCRTA Legal Counsel; Roland Barrera, Barrera Insurance (ENTRUST); Gina Salazar, Local 1769 ATU; Kara Rivas, KCS/PR; Ray Hernandez, ICONIC Signs; John Valls.

Call to Order & Roll Call
Mr. Edward Martinez called the meeting to order at 8:30 a.m., and held the Pledge of Allegiance. Ms. Dena Linnehan called Roll and stated a quorum was present.

Held Safety Briefing
Mr. Miquel Rendón provided information of building exits, muster point, and the processes for board members and attendees in the event of an emergency, and noted that no one is to return to the building until an ‘all clear’ has been issued.

Action to receive Conflict of Interest Affidavits
No affidavits received.

Provided Opportunity for Public Comment
Ms. Gina Salazar of the ATU-Local 1769 Union said there are three items she would like to mention. The first was to thank Mr. Rendón and his team for the ‘Ride-A-Long with Officers’ opportunity she experienced three weeks ago. As an operator for the agency, Ms. Salazar had an officer ride on her route, and was excited to see the passenger’s positive demeanor. She also said she had received similar comments from other operators who had officers ride with them.

Held Personal Recognition – Felipe Martinez
Mr. Rendón commended Officer Felipe Martinez for his recent actions at a vehicle accident over the weekend involving a family with minors. He said Officer Martinez’s quick response in accessing the situation by checking the driver who had succumbed to his injuries, then checking the female passenger who eventually required the ‘jaws of life’ to free her from the wreckage, to retrieving an infant from the vehicle which most likely helped to save the child’s life. Officer Martinez works at the CCRTA as part of our Safety and Security program and he thanked agency for just doing his job.

Messrs. Martinez and Cruz-Aedo presented the certificate to Officer Martinez along with taking pictures.
MR. MICHAEL REEVES MADE A MOTION TO CONFIRM COMMITTEE APPOINTMENTS AS STATED. MR. TOM NISKALA SECONDED THE MOTION. THE MOTION CARRIED. MARTINEZ, REEVES, LEYENDECKER, CLOWER, MARTIN, HARRIS, DOMINGUEZ, BAUMAN, SKROBARCZYK AND WOOLBRIGHT VOTING IN FAVOR. ABSENT NISKALA.

Action to Approve Board of Directors Meeting Minutes of January 2, 2019

MR. REEVES MADE A MOTION TO APPROVE BOARD OF DIRECTORS MEETING MINUTES OF JANUARY 2, 2019. MR. GEORGE CLOWER SECONDED THE MOTION. THE MOTION CARRIED. MARTINEZ, REEVES, LEYENDECKER, CLOWER, MARTIN, HARRIS, DOMINGUEZ, BAUMAN, SKROBARCZYK AND WOOLBRIGHT VOTING IN FAVOR. ABSENT NISKALA.

Action to Approve Consent Agenda Items a) thru d) – a) Adopt a Resolution Designating Certain Persons to Sign Checks on the Claims Account Administered by Entrust, Inc.; b) Issue a Request for Proposals (RFP) for an On-Board Mobile Video Surveillance System Replacement for Bus Fleet; c) Exercise the Second Option Year for Health Care Consulting Services/Risk Management with Roland Barrera Insurance for Insurance Consulting Services; and d) Issue a Request for Proposals (RFP) for Security Guard Services at CCRTA Staples Street Center and CCRTA Bear Lane Operations.

MR. SCOTT HARRIS MADE A MOTION TO APPROVE CONSENT AGENDA ITEMS A), B) & D) – A) ADOPT A RESOLUTION DESIGNATING CERTAIN PERSONS TO SIGN CHECKS ON THE CLAIMS ACCOUNT ADMINISTERED BY ENTRUST, INC.; B) ISSUE A REQUEST FOR PROPOSALS (RFP) FOR AN ON-BOARD MOBILE VIDEO SURVEILLANCE SYSTEM REPLACEMENT FOR BUS FLEET; AND D) ISSUE A REQUEST FOR PROPOSALS (RFP) FOR SECURITY GUARD SERVICES AT CCRTA STAPLES STREET CENTER AND CCRTA BEAR LANE OPERATIONS. MR. HARRIS ASKED FOR ADDITIONAL INFORMATION REGARDING ITEM C). MR. REEVES SECONDED THE MOTION. THE MOTION CARRIED. MARTINEZ, REEVES, LEYENDECKER, CLOWER, MARTIN, DOMINGUEZ, BAUMAN, SKROBARCZYK AND WOOLBRIGHT VOTING IN FAVOR. MR. HARRIS ABSTAINED. ABSENT NISKALA.

Mr. Harris commented he would like to get more information on item c). Numerous questions were asked and answered regarding the 2nd year option. Mr. Eddie Martinez asked for another motion to approve item no. 8c). Mr. Reeves was the 1st motion with Mr. Skrobarczyk 2nd motion, and the additional motion passed.

MR. REEVES MADE A MOTION TO APPROVE CONSENT AGENDA ITEMS C); C) EXERCISE THE SECOND OPTION YEAR FOR HEALTH CARE CONSULTING
SERVICES/RISK MANAGEMENT WITH ROLAND BARRERA INSURANCE FOR INSURANCE CONSULTING SERVICES MR. PHILIP SKROBARCZYG SECONDED THE MOTION. THE MOTION CARRIED. MARTINEZ, REEVES, LEYENDECKER, CLOWER, MARTIN, HARRIS, DOMINGUEZ, BAUMAN, SKROBARCZYG AND WOOLBRIGHT VOTING IN FAVOR. ABSENT NISKALA.

Action to Issue a Request for Proposals (RFP) for Bus Stop Shelter Refurbishment
Ms. Sharon Montez presented the item from the Board Priority of Public Image. She commented on a background and provided numbers of shelters, bus stops, trash receptacles in this program. She also provided the costs associated with the refurbishment of the shelters and stops, the DBE impact and estimated at $300,000 per year for the the 5 year program being $1.5 million. Ms. Anne Bauman asked if the shelters would be lighted, and Ms. Montez stated majority of the shelters are lighted, both solar and by pressing a button, and this refurbishment program will provide lighting to the older shelters which currently do not have lighting. Mr. Reeves asked for timeline of the RFP, to which Ms. Montez, stated this will be put into the procurement process over the next few weeks. Mr. Dan Leyendecker asked if this five year program will refurbish or replace all the shelters, and she commented the program is set up to touch all of our shelters and stops and will run tandem to the replacement program as well. Mr. Cruz-Aedo stated, this plan is to touch all bus stops and shelters every three years.

MR. HARRIS MADE A MOTION TO ISSUE A REQUEST FOR PROPOSALS (RFP) FOR BUS STOP SHELTER REFURBISHMENT. MS. PATRICIA DOMINGUEZ SECONDED THE MOTION. THE MOTION CARRIED. MARTINEZ, REEVES, LEYENDECKER, CLOWER, MARTIN, HARRIS, DOMINGUEZ, BAUMAN, SKROBARCZYG AND WOOLBRIGHT VOTING IN FAVOR. ABSENT NISKALA.

Heard Presentations –
a) Update on Fare Recovery
Mr. Robert Saldaña commented on the Fare Recovery process as part of the board priority of financial transparency. He stated this item has been in discussion for the past 9 months, and is a 2 year process in research, information gathering, decisions making, and scheduling meetings with City, Commissioners and others. A slide was displayed showing the timeline and he commented on each date with details. He said the process began in March 2018 and will go to March 2019. It began at a Staff Retreat with a timeline developed in April 2018, research in June 2018, and provided to RCAT Committee in July 2018, all of which are now complete. He said we are currently in the fare equity analysis stage that began July 10, 2018 and goes to July 9, 2019. Mr. Saldaña commented in August of this year, we will begin discussion on options to agree with a recommendation on base fare, transfers, Discounts for students, seniors, off-peak and daily, along with weekly and monthly passes.
After analyzing the information, and only if the recommendation is to make a fare adjustment, the next steps will involve setting up a meeting with a Local Government Fare Approval (LGFA) Committee made up of 5 city council members, 3 county commissioners, and 3 mayors and would be done this November. He said if the results indicate no fare adjustment, it will go direction to the Administration & Finance Committee meeting on November 27, 2019 for committee approval, then to December Board meeting for final approval.

He also commented for a fare adjustment and after the LGFA Committee meets, results and their recommendation would presented to the Administration & Finance Committee meeting on November 27, 2019 for approval, the agency will Post for a Public Hearing to be held at the December 4, 2019 Board of Directors meeting for final approval from our Board of Directors.

Mr. Saldaña then said a marketing campaign to educate ridership along with operators being trained, then all these including the implementation will take place on March 2, 2020.

Ms. Anne Bauman commented on the slide giving a seniors age of 60+, and Mr. Saldaña stated the agency’s age of seniors is at 60, where other agencies generally are at 65. The subsidies are what the agency needs to look at in order to increase our fare recovery. He said the base fare would apply to everyone, then would be dependent on what subsidy a rider would fall under. As an example, if the fare doubled $0.75 to $1.50, it would only show a 10 percent recovery rate. That is why we look at the subsidies to make some type of impact. The CCRTA is not looking to double our fares, the first thing we will do is to look at our subsidies. Currently, the industry’s percentage is at 14 percent with the CCRTA at 5.8 percent, and we would like to make this in 2019.

b) December 2018 Financial Report
Mr. Saldaña commented the Board Priority for this item is Transparency. He reported December operating revenues at $163,567, or $4,326 short. Departmental Expense at $2.7 million, depreciation $366,535 giving a total operating expense amount at $3.1 million on a budget of $2.7 million, or short by $326,049. Sales tax revenue with other expenses for $178,489 change in net assets. He displayed a chart with the expense by function which does not include depreciation, debt service and street improvements. Year to date came in at $2.41 on $2.43, or $20,236 short. Departmental expense came in at $30.1 million add $4.3 million in depreciation for total operating expenses at $34.5 million on a budget of $34.1, or $369,264 short due to health care costs. Sales tax revenue came in at $33.4 million, or $1.2 million to the good. Factor in grants, investment income, Staples Street Center Expenses, Port Ayers cost Center, debt service, street improvements for a non-operating income at $30.0 million, or negative net asset at $2.1 million, yet with the depreciation as a non-cash outlay leaves us with a positive $2.3 million for the year.
A year-to-date chart was also displayed with where the money goes excluding the depreciation, debt service, and street improvements. Sales tax update for 2018 month to month from November 2017 to November 2018 decreased $140,163, or a decline by 5.45 percent. Actual November budget is $2.54 million and came in at $2.57 million, or a decrease of 4.32 percent.

c) **Procurement Update**
Mr. Robert Saldaña commented on the Board Priority meets the Facilities – Maintain our facilities, inventory and Innovative equipment. He reported on four current procurements of Financial Auditing Services, Vanpool Services, General Architectural and Engineering Services and Bus Parts Supply. Mr. Saldaña provided statistics for each project on the outreach, pre-proposal meeting attendance and number of proposals submitted and bids received. A slide showing an item over the $50,000 four-month outlook is for CNG Fueling Station Maintenance to take to the committee in February and to the Board in March to exercise the option year one.

Mr. Saldaña charted the seven contracts for the CEO's signature authority. Those listed are for Monitor Security & Fire System at $2,700; Labor and Employment Law Services at $5,400 and Labor and Employment Law Services at $19,600; Server Support Services at $19,000; Budget software at $5,000 and B2GNow Management program at $15,000, and Commercial Janitorial Services at $50,000. These contracts are not to exceed the amounts shown on the chart. Mr. Saldaña reported the month-to-month contract for the Marina Rental Space is a continuous agreement with the City at $6,300.

d) **December 2018 Safety & Security Report**
Mr. Rendón commented this item meets the Board Priority of Facilities – Safety & Security. He stated there were 9 vehicle collisions, 6 non-preventable and 3 preventable, and our collision rate for the month at 3.70. The comparison rate from 2017 for December at 1.51 which was lower in December 2018 at 1.22. He commended Marketing and Operations for their help in providing operators training to include accidents and how they happen.

A chart was shown with the breakdown of 434 contacts with individuals. He commented on the doors are currently being worked on, access card readers have been installed in all restrooms at the SSC with exception to the 1st floor which will be active next week. Mr. Rendón gave a brief discussion on the monitoring and schedules currently without the Administrative Coordinator.

Mr. Rendón also commented again on the ‘If you See Something, Say Something’ campaign and how it is working at the facility.
e) **December 2018 Operations Report**
Mr. Gordon Robinson commented the Board Priority met was for Public Image & Transparency. He reported December’s monthly ridership was at 415,137 boardings. He said Vanpool is up by 660.6 percent, as well as majority of the modes increased for the month. System-wide year-to-date we finished flat, although Vanpool was at 64.2 percent.

He displayed several charts of performance statistics of highest and lowest weekdays productivity, highest wheelchair and bicycle boardings with Fixed Route On-Time Performance was 86.1 percent. Additional slides displayed the City Bond Projects and the Harbor Bridge Project detours with 8 out of 32 routes being on detour, or 25 percent of our routes. He reported B-Line service met their metrics, we received 10 CAFs for the month and was the lowest in the past 6 years. Miles between Roadcalls came in at 14,604 for the month.

**Heard CEO’s Report**
Mr. Cruz-Aedo commented on the Small Cities Committee of Mayors (SCCM) meeting held yesterday in Robstown. Next Tuesday we will present to the City Council. He also talked about the Board Retreat in the Spring, April 5, April 12, April 26 as our date. This Sunday is the CCRTA Roadeo and DART and VIA will be participating in our roadeo and at 11:00 am we invite the Board Members to come compete with each other by driving a bus in the course.

**Heard Chairman’s Report**
Mr. Martinez Board Chairman deferred his time to other members to comment. Ms. Anne Bauman commented on the recent riding of the bus service. Ms Jennifer Fehrribach responded to Ms. Bauman’s concerns that our software and reservations system are old and will be updated where we go manual over the weekend as new system is being installed. Mr. Martinez thanked Staff for all their hard work.

He then called the closed session at 9:40 a.m. for Possible Action Thereafter in Open Session Concerning CEO Evaluation, Compensation and Benefits.

**Held Closed Session and Possible Action Thereafter in Open Session Concerning CEO Evaluation, Compensation and Benefits**
Mr. Martinez opened the session at 10:57 am. Mr. Reeves made a motion to extend Mr. Jorge Cruz-Aedo’s contract as Chief Executive Officer for two additional years until 2022, and to increase his salary by 3 percent, issue a performance incentive of 5 percent and add 3 additional vacation days, or 5 weeks.

MR. REEVES MADE A MOTION TO EXTEND MR. JORGE CRUZ-AEDO’S CONTRACT AS CHIEF EXECUTIVE OFFICER FOR TWO ADDITIONAL YEARS UNTIL 2022, AND TO INCREASE HIS SALARY BY 3 PERCENT, ISSUE A PERFORMANCE INCENTIVE OF 5 PERCENT AND ADD 3 ADDITIONAL VACATION DAYS, OR 5 WEEKS. MR. CLOWER SECONDED THE MOTION. THE MOTION CARRIED. MARTINEZ, REEVES, LEYENDECKER, CLOWER,
MARTIN, HARRIS, DOMINGUEZ, BAUMAN, SKROBARCZYK AND WOOLBRIGHT VOTING IN FAVOR. ABSENT NISKALA.

Adjournment
There being no further review of items, the meeting adjourned at 10:58 a.m.

Submitted by: Dena Linnehan

Dan Leyendecker, Board Secretary
Board of Directors Meeting Memo

March 6, 2019

Subject: Action to Recommend the Board Adopt the updated Drug and Alcohol Abuse Policy

Background
The RTA’s current Drug and Alcohol Abuse Policy was last revised and approved by the Board of Directors on July 6, 2016.

Identified Need
The Omnibus Transportation Employee Testing Act of 1991 requires Federal Transit Administration (FTA) to issue regulations requiring recipients of Federal Transit funds under 49 U.S.C. 5307, 5309, and 5311 and 23 U.S.C. 103(e) (4) to test safety-sensitive employees for the use of alcohol or drugs in violation of law or federal regulation. The CCRTA receives funds under 5307 and 5309.

The CCRTA recently received findings as a result of the FTA’s Drug & Alcohol Compliance Audit from January 2019 to the RTA’s Drug and Alcohol Program. Noted in this finding was a change that needed to be made to the Drug and Alcohol Abuse Program Policy related to verbiage in regards to the format of the policy. The policy in place at the time of the audit was accurate but the FTA recommended a new template policy that would include up-to-date requirements.

Please note that our standards and practices were not found to be deficient by the FTA, therefore, staff has not changed anything in this policy with regards to our testing procedures.

Board Priority
This item aligns with the Board Priority - Workforce Development.

Fiscal Impact
This item has no budgetary cost impact.

Committee Review
This item has been reviewed and approved at the Administration & Finance Committee meeting held on February 27, 2019.

Recommendation
Staff recommends the Board of Directors authorize the Chief Executive Officer (CEO) or designee to Adopt the updated Drug and Alcohol Abuse Policy.

Respectfully Submitted,

Submitted & Reviewed by: Angelina Gaitan
Director of Human Resources

Final Approval by: Jorge Cruz-Aedo
Chief Executive Officer
Corpus Christi Regional Transportation Authority

Drug and Alcohol Policy

Effective as of [03/06/2019]

I. Purpose of Policy

This policy complies with 49 CFR Part 655, as amended and 49 CFR Part 40, as amended. Copies of Parts 655 and 40 are available in the drug and alcohol program manager’s office and can be found on the internet at the Federal Transit Administration (FTA) Drug and Alcohol Program website http://transit-safety.fta.dot.gov/DrugAndAlcohol/.

All covered employees are required to submit to drug and alcohol tests as a condition of employment in accordance with 49 CFR Part 655.

Portions of this policy are not FTA-mandated, but reflect Corpus Christi Regional Transportation Authority’s policy. These additional provisions are identified by bold text.

In addition, DOT has published 49 CFR Part 32, implementing the Drug-Free Workplace Act of 1988, which requires the establishment of drug-free workplace policies and the reporting of certain drug-related offenses to the FTA.

All Corpus Christi Regional Transportation Authority employees, including both safety-sensitive and non-safety-sensitive employees are subject to the provisions of the Drug-Free Workplace Act of 1988. It also covers contracted employee and independent contractors when they are on RTA property or they are performing RTA-related business.

The RTA will impose disciplinary action, including termination of employment, upon notification of confirmed positive drug and/or alcohol test results. **COMPLIANCE WITH THIS POLICY IS MANDATORY.**

The unlawful manufacture, distribution, dispensation, possession or use of a controlled substance is prohibited in the covered workplace. An employee who is convicted of any criminal drug statute for a violation occurring in the workplace shall notify the Director of Human Resources no later than five days after such conviction.

2. Covered Employees

This policy applies to every person, including an applicant or transeree, who performs or will perform a “safety-sensitive function” as defined in Part 655, section 655.4.

You are a covered employee if you perform any of the following:

- Operating a revenue service vehicle, in or out of revenue service
- Operating a non-revenue vehicle requiring a commercial driver’s license
- Controlling movement or dispatch of a revenue service vehicle
3. Prohibited Behavior

Use of illegal drugs is prohibited at all times. All covered employees are prohibited from reporting for duty or remaining on duty any time there is a quantifiable presence of a prohibited drug in the body at or above the minimum thresholds defined in Part 40. Prohibited drugs include:

- marijuana
- cocaine
- phencyclidine (PCP)
- opioids
- amphetamines

All covered employees are prohibited from performing or continuing to perform safety-sensitive functions while having an alcohol concentration of 0.04 or greater.

All covered employees are prohibited from consuming alcohol while performing safety-sensitive job functions or while on-call to perform safety-sensitive job functions. If an on-call employee has consumed alcohol, they must acknowledge the use of alcohol at the time that they are called to report for duty. If the on-call employee claims the ability to perform his or her safety-sensitive function, he or she must take an alcohol test with a result of less than 0.02 prior to performance.

If an employee tests between 0.02 and 0.39 on an alcohol test, the employee will be removed from service for a minimum of eight (8) hours, unless a retest results in a concentration of less than 0.02. Employees so removed may be subject to disciplinary action, up to and including termination of employment. Employee so removed will be allowed one (1) opportunity during the duration of his or her employment to utilize available paid leave for this purpose, either personal or health hours available.

All covered employees are prohibited from consuming alcohol within four (4) hours prior to the performance of safety-sensitive job functions.

All covered employees are prohibited from consuming alcohol for eight (8) hours following involvement in an accident or until he or she submits to the post-accident drug and alcohol test, whichever occurs first.
4. Consequences for Violations

Following a positive drug or alcohol (BAC at or above 0.04) test result or test refusal, the employee will be immediately removed from safety-sensitive duty and referred to a Substance Abuse Professional.

Following a BAC of 0.02 or greater, but less than 0.04, the employee will be immediately removed from safety-sensitive duties for at least eight hours unless a retest results in the employee’s alcohol concentration being less than 0.02.

Zero Tolerance

Per Corpus Christi Regional Transportation Authority policy, any employee who tests positive for drugs or alcohol (BAC at or above 0.04) or refuses to test will be referred to a Substance Abuse Professional (SAP) and terminated from employment.

5. Circumstances for Testing

Pre-Employment Testing

Pre-employment alcohol tests are conducted after making a contingent offer of employment or transfer. All pre-employment alcohol tests will be conducted using the procedures set forth in 49 CFR Part 40.

A negative pre-employment drug test result is required before an employee can first perform safety-sensitive functions. If a pre-employment test is cancelled, the individual will be required to undergo another test and successfully pass with a verified negative result before performing safety-sensitive functions.

If a covered employee has not performed a safety-sensitive function for 90 or more consecutive calendar days, and has not been in the random testing pool during that time, the employee must take and pass a pre-employment test before he or she can return to a safety-sensitive function.

A covered employee or applicant who has previously failed or refused a DOT pre-employment drug and/or alcohol test must provide proof of having successfully completed a referral, evaluation, and treatment plan meeting DOT requirements.

Reasonable Suspicion Testing

All covered employees shall be subject to a drug and/or alcohol test when Corpus Christi Regional Transportation Authority has reasonable suspicion to believe that the covered employee has used a prohibited drug and/or engaged in alcohol misuse. A reasonable suspicion referral for testing will be made by a trained supervisor or other trained company official on the basis of specific,
contemporaneous, articulable observations concerning the appearance, behavior, speech, or body odors of the covered employee.

Covered employees may be subject to reasonable suspicion drug testing any time while on duty. Covered employees may be subject to reasonable suspicion alcohol testing while the employee is performing safety-sensitive functions, just before the employee is to perform safety-sensitive functions, or just after the employee has ceased performing such functions.

Post-Accident Testing

Covered employees shall be subject to post-accident drug and alcohol testing under the following circumstances:

**Fatal Accidents**
As soon as practicable following an accident involving the loss of a human life, drug and alcohol tests will be conducted on each surviving covered employee operating the public transportation vehicle at the time of the accident. In addition, any other covered employee whose performance could have contributed to the accident, as determined by Corpus Christi Regional Transportation Authority using the best information available at the time of the decision, will be tested.

**Non-fatal Accidents**
As soon as practicable following an accident not involving the loss of a human life, drug and alcohol tests will be conducted on each covered employee operating the public transportation vehicle at the time of the accident if at least one of the following conditions is met:

1. The accident results in injuries requiring immediate medical treatment away from the scene, unless the covered employee can be completely discounted as a contributing factor to the accident;
2. One or more vehicles incurs disabling damage and must be towed away from the scene, unless the covered employee can be completely discounted as a contributing factor to the accident.

In addition, any other covered employee whose performance could have contributed to the accident, as determined by Corpus Christi Regional Transportation Authority using the best information available at the time of the decision, will be tested.

Post-Accident testing will be done as soon as possible, and no later than eight (8) hours after the accident for alcohol testing and thirty-two (32) hours after the accident for drug testing. If the test for alcohol is not administered within the two (2) hours following the accident, the supervisor must document the reasons why the test was not performed. An employee involved in an accident must not use alcohol until after the employee undergoes an accident testing or eight (8) hours have elapsed, whichever comes first.
A covered employee subject to post-accident testing must remain readily available, or it is considered a refusal to test. Nothing in this section shall be construed to require the delay of necessary medical attention for the injured following an accident or to prohibit a covered employee from leaving the scene of an accident for the period necessary to obtain assistance in responding to the accident or to obtain necessary emergency medical care.

Random Testing

Random drug and alcohol tests are unannounced and unpredictable, and the dates for administering random tests are spread reasonably throughout the calendar year. Random testing will be conducted at all times of the day when safety-sensitive functions are performed.

Testing rates will meet or exceed the minimum annual percentage rate set each year by the FTA administrator. The current year testing rates can be viewed online at www.transportation.gov/odapc/random-testing-rates.

The selection of employees for random drug and alcohol testing will be made by a scientifically valid method, such as a computer-based random system. Under the selection process used, each covered employee will have an equal chance of being tested each time selections are made.

A covered employee may only be randomly tested for alcohol misuse while the employee is performing safety-sensitive functions, just before the employee is to perform safety-sensitive functions, or just after the employee has ceased performing such functions. A covered employee may be randomly tested for prohibited drug use anytime while on duty.

Each covered employee who is notified of selection for random drug or random alcohol testing must immediately proceed and will be transported by a supervisor to the designated testing site.

Random Testing – End of Shift

Random testing may occur anytime an employee is on duty so long as the employee is notified prior to the end of the shift. Employees who provide advance, verifiable notice of scheduled medical or child care commitments will be random drug tested no later than three hours before the end of their shift and random alcohol tested no later than 30 minutes before the end of their shift. Verifiable documentation of a previously scheduled medical or child care commitment, for the period immediately following an employee's shift, must be provided at least [Employer decides how far in advance they must be notified] before the end of the shift.

6. Testing Procedures

All FTA drug and alcohol testing will be conducted in accordance with 49 CFR Part 40, as amended.
Dilute Urine Specimen

If there is a negative dilute test result, Corpus Christi Regional Transportation Authority will conduct one additional retest. The result of the second test will be the test of record.

Dilute negative results with a creatinine level greater than or equal to 2 mg/dL but less than or equal to 5 mg/dL require an immediate recollection under direct observation (see 49 CFR Part 40, section 40.67).

Split Specimen Test

In the event of a verified positive test result, or a verified adulterated or substituted result, the employee can request that the split specimen be tested at a second laboratory. Corpus Christi Regional Transportation Authority guarantees that the split specimen test will be conducted in a timely fashion. All costs for such tests will be the responsibility of the employee unless the results of such tests invalidate the results of the original test. The method of collecting, storing and testing the split sample will be consistent with the procedures set forth in 49 CFR, Part 40, as amended.

The employee’s request for a split sample test must be made to the Medical Review Officer (MRO) within 72 hours of notice of the original sample verified test results. Results after 72 hours will be considered only if the delay was due to verified facts that were beyond the employee’s control.

7. Test Refusals

As a covered employee, you have refused to test if you:

(1) Fail to appear for any test (except a pre-employment test) within a reasonable time, as determined by Corpus Christi Regional Transportation Authority.
(2) Fail to remain at the testing site until the testing process is complete. An employee who leaves the testing site before the testing process commences for a pre-employment test has not refused to test.
(3) Fail to attempt to provide a breath or urine specimen. An employee who does not provide a urine or breath specimen because he or she has left the testing site before the testing process commenced for a pre-employment test has not refused to test.
(4) In the case of a directly-observed or monitored urine drug collection, fail to permit monitoring or observation of your provision of a specimen.
(5) Fail to provide a sufficient quantity of urine or breath without a valid medical explanation.
(6) Fail or decline to take a second test as directed by the collector or Corpus Christi Regional Transportation Authority for drug testing.
(7) Fail to undergo a medical evaluation as required by the MRO or Corpus Christi Regional Transportation Authority’s Designated Employer Representative (DER).
(8) Fail to cooperate with any part of the testing process.
(9) Fail to follow an observer's instructions to raise and lower clothing and turn around during a directly-observed test.

(10) Possess or wear a prosthetic or other device used to tamper with the collection process.

(11) Admit to the adulteration or substitution of a specimen to the collector or MRO.

(12) Refuse to sign the certification at Step 2 of the Alcohol Testing Form (ATF).

(13) Fail to remain readily available following an accident.

As a covered employee, if the MRO reports that you have a verified adulterated or substituted test result, you have refused to take a drug test.

As a covered employee, if you refuse to take a drug and/or alcohol test, you incur the same consequences as testing positive and will be immediately removed from performing safety-sensitive functions, subject to termination and referred to a SAP.

Refusal can include the inability to provide a sufficient urine specimen or breath sample without a medical explanation, as well as, a verbal declaration, obstructive behavior or physical absence resulting in the inability to conduct the test. Possessing or wearing a prosthetic or other devise used to tamper or interfere with the collection process is also a refusal. Another form of refusal is admitting to the collector of MRO that you adulterated or substituted the specimen. The MRO's verification of a test as adulterated or substituted test results, you have refused to take a drug test is also considered a refusal. For a complete list of current refusal conditions, please refer to 49CFR, part 40.

8. Voluntary Self-Referral

Any employee who has a drug and/or alcohol abuse problem and has not been selected for reasonable suspicion, random or post-accident testing or has not refused a drug or alcohol test may voluntarily refer her or himself to the Director of Human Resources, who will refer the individual to a substance abuse counselor for evaluation and treatment.

The substance abuse counselor will evaluate the employee and make a specific recommendation regarding the appropriate treatment. Employees are encouraged to voluntarily seek professional substance abuse assistance before any substance use or dependence affects job performance.

Any safety-sensitive employee who admits to a drug and/or alcohol problem will immediately be removed from his/her safety-sensitive function and will not be allowed to perform such function until successful completion of a prescribed rehabilitation program.

Self-referral after notification of selection for a drug or alcohol test will not eliminate the requirement to take the test, nor will it preclude the imposition of disciplinary action, including termination of employment, should the individual fail the test.
9. Prescription Drug Use

The appropriate use of legally prescribed drugs and non-prescription medications is not prohibited. However, the use of any substance which carries a warning label that indicates that mental functioning, motor skills, or judgment may be adversely affected must be reported to the Director of Human Resources. Medical advice should be sought, as appropriate, while taking such medication and before performing safety-sensitive duties.

10. Drug-Free and Alcohol-Free Premises

The RTA has established all of its premises as alcohol-free and drug-free workplaces. This provision does not apply to alcohol beverages provided by sponsors for use at sponsored activities by the RTA. Employee are prohibited from reporting for work or working while the influence of alcohol, a controlled substance, or illegal drug.
II. Drug & Alcohol Testing Program Administration

The RTA will conduct education and training programs for all covered employees in compliance with 49 CFR 655.14. Any questions regarding the policy or any other aspects of the RTA’s substance abuse program should be addressed to the following transit system representatives:

Subject: Action to Issue a Request for Proposals (RFP) for On-Board Automated Passenger Counters (APC) System for Bus Fleet

Background
The CCRTA is required to produce system wide passenger mile data for the National Transit Database (NTD) reporting. The Federal Transit Administration (FTA) allows transit systems to utilize sampling procedures to determine an “average trip length” figures. Transit agencies must report data, including Passenger Miles Traveled (PMT), by mode and service type for the urbanized and rural areas they serve. This data is an important part of NTD reporting because they directly affect the amount of funding FTA apportions to each area. FTA uses this information to support the §5307, §5337, §5339, and §5311 formula funding programs.

Identified Need
Currently, passenger counts are tracked manually by staff and compared to fare ridership for accuracy. This method leaves room for human error and its labor intensive. As a result, Corpus Christi Regional Transportation Authority seeks to install Automated Passenger Counters (APC) System on Fourteen (14) buses to improve customer service, record keeping and reporting compliance, accountability and overall effectiveness of the transit service.

Disadvantaged Business Enterprise
Staff will work with DBE office and collaborate with bidders to pursue DBE participation, including subcontracting opportunities.

Financial Impact
Funds for the Automated Passenger Counters (APC) System for the bus fleet were identified in the MIS 2019 capital budget using funding provided by the 5339 Formula Funds with an estimated cost of $196,601.

Board Priority
The Board Priority is Innovation.

Committee Review
This item has been reviewed and approved at the Administration & Finance Committee meeting held on February 27, 2019.

Recommendation
Staff recommends the Board of Directors authorize the Chief Executive Officer (CEO) or designee to Issue a Request for Proposals (RFP) for On-Board Automated Passenger Counters (APC) System for bus fleet.

Board of Directors Meeting Memo

March 6, 2019

Subject: Action to Authorize awarding a Three-Year Contract with One (1) Two-year Option to Carr, Riggs & Ingram for Financial Auditing Services

Background
Pursuant to state and federal laws, CCRTA is required to have three (3) types of audits performed annually by external auditing firms, specifically:

- Financial Statements of CCRTA
- Single Audit of grant assistant funding
- Financial Statements of the CCRTA Retirement Plan

The audit requirement of the Financial Statements of CCRTA is pursuant to the Texas Administrative Code Chapter 452.10; “the Corpus Christi Regional Transportation Authority’s governing Board of Directors shall “…appoint auditors…and prescribe their duties, compensation, and tenure.” The Single Audit Act of 1984, as amended in 1996 governs the requirement of a compliance audit by an independent public accounting firm for organizations receiving federal grant assistance. In addition, the Texas Administrative Code Chapter 802.102, requires a separate audit of retirement plans.

Identified Need
The completion of the 2017 Audit ended the Audit Engagement with Collier, Johnson, and Woods who has performed the audits of the Authority for the past 14 years. As a result, a request for proposal was used to solicit bids for the required auditing services. Three (3) responses to RFP-2018-S-13 were received and the evaluation team has selected the Auditing Firm of Carr, Riggs & Ingram. The evaluation methodology used was a point scoring system whereby each element of the RFP was ranked according to the degree and priority specified in the RFP. The firms were ranked as follows:

<table>
<thead>
<tr>
<th>Name of Auditing Firm</th>
<th>Total Points Out of 100</th>
</tr>
</thead>
<tbody>
<tr>
<td>Carr, Riggs &amp; Ingram</td>
<td>88.70</td>
</tr>
<tr>
<td>RSM US LLP</td>
<td>88.60</td>
</tr>
<tr>
<td>Collier, Johnson &amp; Woods</td>
<td>85.80</td>
</tr>
</tbody>
</table>

The evaluation criteria selection was difficult as all three (3) firms are reputable qualified firms that provide professional services through a highly qualified auditing team that understands the transit industry. After the initial scoring, firms were given the opportunity to present their Best and Final Offer (BAFO) which resulted in the above ranking. Although, CCRTA does not have a mandatory audit firm rotation requirement in place, best practices suggest that selecting audit firms through the competitive bidding process ensures that the audit service contract is won on the basis of merit and open competition and that changing auditing firms every five (5) years is good practice.
Services include the auditing of the financial statements of CCRTA, a separate audit of the Employee Defined Benefit Plan, and the Single Audit for the base period of three (3) years with one (1) two-year option beginning with the fiscal year of 2018.

The Audit Scope includes but not limited to:
1. Expression of opinion as to whether primary financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the supplementary information accompanying the basic financial statements.
2. Report on Internal Control related to the financial statements and compliance with laws, regulations, and the provisions of contracts or grant agreements, noncompliance with which could have a material effect on the financial statements in accordance with Governmental Auditing Standards.
3. Report on Internal Control related to major programs and an opinion (or disclaimer of opinion) on compliance with laws, regulations, and the provisions of contracts or grant agreements that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance).

It is also noted that the services of Ernest R Garza, CPA, were obtained through a Professional Service Agreement for the sole purpose of complying with the generally accepted auditing standards requiring an auditor to physically observe the inventory count and make independent tests of the physical count of inventory. The end-of-year inventory of bus parts and fuel inventory was conducted on Friday, December 28, 2018.

Disadvantaged Business Enterprise
Not Applicable.

Financial Impact
The annual cost to perform the financial auditing services for 2018 is set at $70,833.33 and sufficient funds from local sources have been appropriated in the Finance Department operating budget.

Board Priority
This item aligns with the Board Priority – Financial Transparency.

Committee Review
This item has been reviewed and approved at the Administration & Finance Committee meeting held on February 27, 2019.
Recommendation
Staff recommends the Board of Directors authorize the Chief Executive Officer (CEO) or designee to Authorize awarding a Three-Year Contract with One (1) Two-year Options to Carr, Riggs & Ingram for Financial Auditing Services, beginning with the fiscal year ending December 31, 2018.

Board of Directors Meeting Memo
March 6, 2019

Subject: Approve Updated No-Show Policy for the B-Line Eligibility Program

Background
To encourage responsible trip scheduling and paratransit use, the Americans with Disabilities Act (ADA) provides that public transit systems establish and enforce a No Show Policy.

Sporadic customer no shows, late cancellations, and cancellations at the door are an expected cost of doing business for a paratransit system. However, a pattern and practice of "no shows", late cancellations and cancellations at the door adversely affect the efficiency and effectiveness of service and significantly add to the cost of providing ADA complementary paratransit service. No Shows and late cancellations result in wasted trips that could have been scheduled for use by other paratransit customers.

No shows are recorded each time a paratransit customer makes a late cancellation, forgets to cancel, declines their trip at the door, or is not available for pick-up for their scheduled trip. Excessive no shows may result in suspensions of service.

The Transportation Research Board did a survey of many transit agencies’ No Show Policies and determined many policies were too restrictive. FTA states, “Three no shows in 30 days is not necessarily a pattern of abuse and thus would deny some, their ADA rights.”

Definitions regarding “no shows”:

- No-Show – when the vehicle arrives for a rider inside the trip window (vehicles may arrive up to 30 minutes after the ready time or pick up time) and the rider does not board the vehicle within five (5) minutes of arrival.
- Late cancellation – when a trip is cancelled less than one (1) hour before the rider’s scheduled pick-up time.
- Violation – when a rider has four (4) or more no-shows/late cancellations and the no-shows/late cancellations represent 11% or more of the rider’s total scheduled trips within a calendar month.

The changes to the “No Show Policy” has been presented to the RCAT Committee.

Identified Need
The previous “No Show” Policy needs to be updated due to ADA/FTA regulation changes, which allow for a less restrictive “No Show Policy”. Below please find the differences between the previous and the updated “No Show Policy”: 
<table>
<thead>
<tr>
<th>Previous Policy</th>
<th>New Policy</th>
</tr>
</thead>
<tbody>
<tr>
<td>Three (3) no-shows in a calendar month would result in a warning notice</td>
<td>No rider shall be suspended for having three (3) or less no-shows/late cancellations in a calendar month</td>
</tr>
<tr>
<td>Four (4) no-shows in a calendar month would result in a proposed seven (7) day service suspension</td>
<td>A violation is four (4) or more no-shows/cancellations and the no-shows/cancellations represent 11% or more of the rider’s total scheduled trips within a calendar month</td>
</tr>
<tr>
<td>Five (5) or more no-shows in a calendar month would result in a proposed thirty (30) day service suspension.</td>
<td>Progressive suspensions for each violation</td>
</tr>
<tr>
<td>No progressive suspensions</td>
<td>Circumstances beyond a rider’s control will not be counted against the rider</td>
</tr>
<tr>
<td>Rider trip history not taken into consideration</td>
<td>Riders will begin at zero violations every calendar year beginning on January 1st</td>
</tr>
</tbody>
</table>

The next steps in implementing the updated “No Show Policy” include:

- Present proposed “No Show Policy to the Board of Director in March 2019 for approval.
- B-Line Riders will be notified through various avenues, such as the website, audio recordings, and during B-Line eligibility assessments.
- One-month grace period will be given.

**Disadvantaged Business Enterprises (DBE)**

Board of Directors Meeting Memo  
March 6, 2019

Subject: Action to Award a Contract to Enterprise Holdings, dba as Commute with Enterprise and Rent-A-Car for Vanpool Services

Background
The RTA vanpool program is a resource for businesses and community groups to access carpooling services through the CCRTA and is a cost-effective public transit option. Commuters travel together in high capacity vehicles between their homes or a designated location to a common work destination. The goal of the vanpool program is to reduce traffic congestion, improve air quality, and provide a cost-effective travel alternative for commuters.

Vanpool participants currently lease vehicles from Enterprise Holdings, dba as Commute with Enterprise and Rent-A-Car. Currently, the vanpool program includes 9 vans for Bechtel employees, 3 vans for Naval Air Station Kingsville employees, and 1 van for Naval Air Station Corpus Christi employees. The program has seen strong growth in the last year (1,300%).

Identified Need
The current contract with Enterprise Holdings, dba as Commute with Enterprise and Rent-A-Car, was awarded on March 31, 2014, as a three (3) year base contract with two (2) one-year options. The current contract is in its final option year and will expire on March 31, 2019.

The Request for Proposals (RFP) was issued on December 19, 2018. The RFP was posted in the CC Caller-Times, B2G Now System, the Transit Talent magazine and the Association for Commuter Transportation (ACT) web page. The RFP was structured as a three (3) year base contract with two (2) one-year options.

The Pre-Bid Meeting was held on January 9, 2019. There were two contractors in attendance and one attended the meeting via GoToMeeting. The bids were due February 15, 2019.

CCRTA received one (1) proposal from Enterprise Holdings, dba as Commute with Enterprise and Rent-A-Car. Current provider of vanpool services has demonstrated large program growth in the past year, and provides a Turn-Key Ride-Sharing Program. Enterprise is the most established service provider in Texas, providing service to the following transit properties: Capital Metro (Austin), DART (Dallas), Metro (Houston), Sun Metro (El Paso), and VIA (San Antonio). Enterprise provides an innovative Mobile App for National Transit Database reporting.
Financial Impact
Funding to support this program is included in the Fiscal Year 2019 operating budget and will be locally funded.

- Fiscal Year 2019 operating budget is $98,379.
- Total estimated project cost for 3-year period, April 2019 – March 2022, is $295,137.

Subject: Adopt a Resolution Adding the Port of Corpus Christi to the Interlocal Cooperation Agreement Between the City of Corpus Christi, Corpus Christi Regional Transportation Authority and Nueces County for Radio Communications System

Background
The City of Corpus Christi and the Corpus Christi Regional Transportation Authority entered into an Interlocal Cooperation Agreement to develop and operate an advanced 800 MHz public safety radio system on September 23, 1991.

Identified Need
Since entering into the Interlocal Cooperation Agreement with the City of Corpus Christi for the development of an advanced 800 MHz radio system, the City of Corpus Christi and the Corpus Christi Regional Transportation Authority have amended the Interlocal Agreement on six (6) different occasions. Each time the Interlocal Cooperation Agreement has been amended to add another principle user for the radio system.

This seventh (7th) amendment is to include the Port of Corpus Christi on the Interlocal Cooperation Agreement with the City of Corpus Christi, the Regional Transportation Authority, and Nueces County.

Disadvantaged Business Enterprises (DBE)
Since this is a required procedure associated with a service procurement there is no DBE goal.

Resolution

Adding the Port of Corpus Christi to the Interlocal Cooperation Agreement between the City of Corpus Christi, Corpus Christi Regional Transportation Authority and Nueces County for Radio Communications System

WHEREAS, the City of Corpus Christi, a home-rule municipal corporation, Corpus Christi Regional Transportation Authority, a Metropolitan Transit Authority under Article 1118x, and Nueces County, provides that the Authority may amend the Interlocal Cooperation Agreement authorizing the inclusion of the Port of Corpus Christi to participate in the Radio Communications System; and

WHEREAS, in Article 4 of the Interlocal Cooperation Agreement, the system annual service fee; as well as, the system monthly maintenance fee will apply;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE CORPUS CHRISTI REGIONAL TRANSPORTATION AUTHORITY THAT:

Section 1. The City of Corpus Christi, the Corpus Christi Regional Transportation Authority and Nueces County amend the Interlocal Cooperation Agreement to include the Port of Corpus Christi allowing their participation in the Radio Communications System.

Section 2. This Resolution shall take effect as of the date a copy of this Resolution, together with the rights, duties and responsibilities listed in the original Interlocal Cooperation Agreement as of the effective date of this Resolution which were properly issued under prior resolutions of the Board of Directors shall be honored and given full force and effect.

DULY PASSED AND ADOPTED this 6th day of March, 2019.

Board of Directors Meeting Memo
March 6, 2019

Subject: Adoption of Resolution in Support of a Grant Application with the Texas A&M Transportation Institute for a United States Department of Transportation (USDOT) Automated Driving System (ADS) Demonstration Grant

Background
The United States Department of Transportation (USDOT) issued a nation-wide grant funding notice for Automated Driving System (ADS) Demonstration Grants. The estimated program funding is $60,000,000. The USDOT is seeking applications to fund multiple demonstration projects that test the safe integration of automated driving systems into the Nation's on-road transportation system. The submission deadline is March 21, 2019. The Texas A&M Transportation Institute (TTI) is the lead applicant. TTI is forming partnerships from active programs in Texas which includes Arlington and Frisco (drive.ai), Houston (Easy Mile), City of Bryan (Texas A&M College Station shuttle with Polaris platform, golf cart), and the CCRTA autonomous vehicle project with Texas A&M Corpus Christi.

Identified Need
With the TTI as the lead applicant for obtaining grant funds, the CCRTA would be a sub-recipient along with other Texas properties if funding is awarded. The CCRTA would utilize the federal funds for the operations of the innovative autonomous vehicle pilot project with Texas A&M Corpus Christi. For this reason, a resolution is needed to support this grant funding opportunity. The resolution and signature page are attached.

Disadvantaged Business Enterprises (DBE)
There is no DBE goal associated with this grant funding opportunity.

Financial Impact
There are no costs associated with this action.

Board Priority
The Board Priority is Innovation.

Committee Review
This item has been reviewed and approved at the Operations & Capital Projects Committee meeting held February 27, 2019.

Recommendation
Staff recommends the Board of Directors authorize the Chief Executive Officer (CEO) or designee adopt a Resolution in support of a Grant Application with the Texas A&M Transportation Institute for a United States Department of Transportation (USDOT) Automated Driving System (ADS) Demonstration Grant.

Resolution

In Support of a Grant Application with the Texas A&M Transportation Institute for a United States Department of Transportation (USDOT) Automated Driving System (ADS) Demonstration Grant

WHEREAS, the Corpus Christi Regional Transportation Authority has a goal of implementing innovative forms of transportation including autonomous vehicle services to provide attractive, state-of-the-art transit service options, enhance first/last mile connectivity, and to increase transit ridership within the service area.

WHEREAS, in partnership with the Texas A&M Transportation Institute, the USDOT ADS Demonstration grant would support the planning, direct research, and demonstration of an automated vehicle pilot project between CCRTA and Texas A&M Corpus Christi to test the safe integration of automated driving systems into the Nation’s on-road transportation system.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE CORPUS CHRISTI REGIONAL TRANSPORTATION AUTHORITY THAT:

Section 1. The Board hereby declares its support for the grant application in coordination with the automated vehicle pilot project between CCRTA and Texas A&M Corpus Christi.

Section 2. This Resolution shall take effect as of the date a copy of this Resolution, together with the rights, duties and responsibilities listed in the original Interlocal Cooperation Agreement as of the effective date of this Resolution which were properly issued under prior resolutions of the Board of Directors shall be honored and given full force and effect.

DULY PASSED AND ADOPTED this 6th day of March, 2019.

Board of Directors Meeting Memo  March 6, 2019

Subject: Action to Award Three Individual Contracts to Multiple Vendors for Bus and Engine Parts

Background
The RTA purchases the majority of parts needed to maintain the RTA fleet through bus and engine parts contracts to secure over 1,900 individual items. Replacement parts are distinct to meet or exceed Original Equipment Manufacturer (OEM) or approved equals. The Maintenance Department released an Invitation for Bid (IFB) for three individual contracts; Internal & External Engine Parts, Electrical Bus Parts, Brake Bus Parts. The contract(s) also includes new fleet bus parts not previously purchased or in inventory.

The Vehicle Maintenance Department may only purchase a portion of the parts listed under these agreements. RTA seeks to secure supply contract prices with various vendors to utilize volume discounts while acquiring parts only as needed. Non-contracted pricing will normally result in higher annual parts expenses due to a volatile market and excessive staff administration time for parts’ procurements.

The following ten (10) vendors submitted pricing for various bus and engine parts.

<table>
<thead>
<tr>
<th>Vendor</th>
<th>Part Category</th>
</tr>
</thead>
<tbody>
<tr>
<td>Gillig</td>
<td>C. C. Battery</td>

<td>C. C. Freightliner</td>
</tr>
<tr>
<td>Mohawk Manufacturing</td>
<td>Kirk’s Automotive</td>
</tr>
<tr>
<td>Neopart</td>
<td>Rush Truck Center</td>
</tr>
</tbody>
</table>

Identified Need
Competitive contracts for bus and engine parts will ensure the demand for parts are met, plus secure firm and discounted rates.

Disadvantaged Business Enterprise (DBE)
DBE participation is zero percent (0%) – Contractors are encouraged to offer contracting opportunities to the fullest extent possible through outreach and recruitment activities to small, minority and disadvantaged businesses.

Proposals Received
A total of 10 proposers were deemed responsive. The maintenance department conducted a comprehensive analysis for parts associated with Internal & External Engine Parts, IFB No. 2018-FP-14; Electrical Bus Parts, IFB No. 2018-FP-15; and Brake Bus Parts, IFB No. 2018-FP-16.
By awarding multiple vendors, the agency is achieving maximum reduced cost per part throughout the agreement term (i.e. estimated savings: $226,778.42).

**Note:** the analysis demonstrates how utilizing multiple vendors garners a reduction in cost. Annual reduction fluctuates based upon consumption totals.

Subject: Action to Exercise a Three (3) Year Option, and a Two (2) Year Option, to Clean Energy for Compressed Natural Gas (CNG) Maintenance Services

Background
In November 2012, the Corpus Christi Regional Transportation Authority (CCRTA) completed the construction of the largest Compressed Natural Gas (CNG) fueling station in South Texas. It consists of three (3) 500 hp. Compressors, a dryer, buffer tanks and six (6) fueling dispensers.

Initially the CCRTA had an in-house staff person to perform the day-to-day maintenance, yet did not provide any redundancy in providing 24-7 service, the decision was made to hire a company that regularly handles the CNG Maintenance Equipment inspections and repairs. The goal was to select a company with well-trained, ample staff, along with a proven track record for reliable service and with a history of satisfactory performance.

A Request for Proposals was issued and Clean Energy ranked the highest in the evaluation process. The original contract was a three-year fixed contract with two (2) one-year options.

Three proposals were received. The evaluation criteria consisted of the following:

- Ability and Approach 30%
- Personnel and Equipment 10%
- Experience 25%
- Disadvantaged Business Participation 5%
- Price 30%

The table below represents the results of the evaluation.

<table>
<thead>
<tr>

</tbody>
</table>
Clean Energy has been in the business since 2001, for nineteen (19) years nationwide, specializing in the CNG maintenance arena. Clean Energy operates over 530 natural gas fueling stations, in 43 states and Canada. They have supported many transit agencies in a CNG maintenance capacity. Some of the transit agencies they have supported include Los Angeles Metro, Dallas Area Regional Transit (DART), El Paso Sun Metro and Foothills Transit.

The contract has provided for all maintenance, monitoring and repair services for the CCRTA CNG fueling station. The work has included maintaining all maintenance records, performing maintenance and/or repair of all structural, mechanical, electrical, programmable logic controls (PLC), monitoring computer and associated software and utility services and obtaining and maintaining current license requirements for the CNG Fueling Station, dispensers, and associated piping and systems.

The maintenance support services have been performed in a satisfactory manner.

**Identified Need**
The three-year fixed contract will expire April 28, 2019. There are two (2) one-year options remaining. The CCRTA would like to approve a three (3) year option term and a two (2) year option term for a total of five years of CNG service support instead of just two more one-year options with Clean Energy.

The reasons for the contract extension include:

- Fixed price extended for 5 years – Clean Energy has agreed to hold their current pricing of $0.27 a Gasoline Gallon Equivalent for the next five years, which allows for fixed rates for budget projections for the next five years.
- Clean Energy is well informed regarding the CNG equipment on our property and they know the history of the equipment’s performance. They are better able to predict when a piece of equipment will need replacement.
- Continuity with a vendor that performs well and has been in operation for 19 years provides the CCRTA with the demonstration of CNG Maintenance expertise and financial stability.

**Disadvantaged Business Enterprise (DBE)**
This project is not funded with federal funds.

**Financial Impact**
Based on the scope of work and annual fuel consumption estimate (1,133,300 gallons), the estimated costs for maintenance services for the CNG fueling station are as follows:

- Annually - $305,991
- Three-year option - $917,973
- Two-year option - $611,982
- Total estimated five-year cost - $1,529,955
The annual estimated cost is budgeted in the Facilities Maintenance Department 2019 Operating Budget.

**Board Priority**
The item aligns with the Board Priority – Facilities.

**Committee Review**
This item has been reviewed and approved at the Operations & Capital Projects Committee meeting held on February 27, 2019.

**Recommendation**
Staff recommends the Board of Directors to authorize the Chief Executive Officer (CEO) to exercise a Three-Year Option, and a Two-Year Option, to Clean Energy for Compressed Natural Gas (CNG) Maintenance Services.

Subject: Issue an Invitation for Bids (IFB) for the Demolition of the Kleberg Bank

Background
In November of 2017, the CCRTA purchased the Kleberg Bank property and surrounding parking lot. As part of the sale, Kleberg Bank signed a lease to continue occupying the bank up to 18 months, if needed. The end of the eighteen (18) months is in April of this year.

Identified Need
Upon the termination of the Kleberg Bank lease, the CCRTA will remove furniture/wall paneling for its own use, and hold a furniture/vault disposition sale for anything else that has value. The demolition of the bank will need to begin after the completion of the furniture/vault disposition.

The scope of work for the demolition will include asbestos abatement of the building, demolition of approximately 28,000 sq. ft. of building and concrete slab. This will include footing removal up to 3 ft. below grade.

The CCRTA seeks to issue an Invitation for Bids (IFB) once the demolition design work and the furniture disposition have been completed.

Disadvantaged Business Enterprise (DBE)
This project is funded with local funds and does not have a DBE requirement.

Financial Impact
The estimated amount of the demolition is budgeted at $300,000 in the 2019 Operating Budget.

Board Priority
This project aligns with the Board Priority – Facilities – Port/Ayers/Del Mar Project™.

Committee Review
This item has been reviewed and approved at the Operations & Capital Projects Committee meeting held on February 27, 2019.

Recommendation
Staff recommends the Board of Directors authorize the Chief Executive Officer (CEO) or designee to Issue an Invitation for Bids (IFB) for the Demolition of the Kleberg Bank.

Board of Directors Meeting Memo
March 6, 2019

Subject: Action to Adopt a Resolution to Implement a Cost of Living Adjustment under the CCRTA Employees' Defined Benefit Plan and Trust

Background
Management has presented recommendations to the Board of Directors requesting a one-time COLA increase of 2.5% to CCRTA's Retirees based on the calculation studies from the Authority's Actuarial Consultant. The 2019 Adopted Operating Budget reflects estimated costs as presented by these studies to be effective as of the Board Approval Date.

Identified Need
The Defined Benefit Plan and Trust document requires an amendment to the plan to implement this one-time cost-of-living adjustment of 2.5%. The proposed resolution and amendment to the plan are included.

Disadvantage Business Enterprise
There are no federal monies associates with this action; therefore, there recommendation does not require DBE participation.

Board Priority
The Board Priority is Financial Transparency.

Recommendation
Staff recommends the Board of Directors authorize the Chief Executive Officer (CEO) or designee to Adopt a Resolution to Implement a Cost of Living Adjustment (COLA) under the CCRTA Employee's Defined Benefit Plan and Trust.

IMPLEMENTING A COST OF LIVING ADJUSTMENT UNDER THE RTA EMPLOYEES’ DEFINED BENEFIT PLAN AND TRUST FOR PARTICIPANTS RECEIVING MONTHLY RETIREMENT BENEFITS

WHEREAS, the Corpus Christi Regional Transportation Authority, (the “RTA”) has adopted and maintains the RTA Employees Defined Benefit Plan and Trust (the “Plan”) in order to provide monthly retirement benefits to its employees; and

WHEREAS, the Plan authorizes the Board of Directors from time to time to provide cost of living adjustments for participants receiving monthly retirement benefits in order to confirm for current employees the RTA’s commitment to providing an equitable retirement benefit in lieu of the Social Security benefits not provided to RTA employees;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF DIRECTORS OF THE CORPUS CHRISTI REGIONAL TRANSPORTATION AUTHORITY THAT:

Section 1. The Board hereby adopts a cost of living adjustment in the amount of two and one-half percent (2.5%) for participants receiving monthly retirement benefits whose benefits began on or prior to January 1, 2015, as provided in the 2019 Operating Budget, such adjustments to be effective as of January 1, 2019.

FOURTH AMENDMENT
TO THE
CCRTA EMPLOYEES DEFINED BENEFIT PLAN AND TRUST
(As Amended and Restated Effective January 1, 2010)

Pursuant to Section 7.01 of the RTA Employees Defined Benefit Plan and Trust (the “Plan”), the Corpus Christi Regional Transportation Authority (the “RTA”) hereby amends the Plan to revise Section 3.01(b) concerning the “Amount of Retirement Income” in order to increase the benefit from 2% to 2.5% of an employee’s Final Three-Year Average Compensation multiplied by Years of Service. As amended, such subsection shall read as follows:

3.01 NORMAL RETIREMENT

(b) Amount of Retirement Income. The amount of annual retirement income payable to a Participant who retires on his or her Normal Retirement Date shall be an amount equal to 2.5% of his or her Final Three-Year Average Compensation multiplied by his or her Years of Service. The annual retirement income shall be converted to a monthly retirement benefit by dividing by twelve.

IN WITNESS WHEREOF, the Corpus Christi Regional Transportation Authority has caused this Fourth Amendment to the RTA Employee Defined Benefit Plan and Trust to be executed by its authorized officers on this 6th day of March, 2019.

March 6, 2019
Board of Directors Meeting Memo  

March 6, 2019

Subject: January 2019 Financial Report

SUMMARY:
Results from all Activities Compared to Budget

REVENUES
For the month of January, Total Revenues fell short of budget projections by $488,492 or -14.38%. The majority of this shortfall is related to federal capital grant reimbursements, which are dependent on completion of eligible capital projects. This revenue category will improve throughout the year as these projects reach completion. Additional category shortfalls were for federal operating grants, which are tied to reimbursement for preventive maintenance and subrecipient grants. This is similar to the capital grants, in that the revenue will only be recognized when eligible expenses are submitted for reimbursement by the recipient of the subaward. In this case, the shortfall in reimbursements is offset by a positive variance in the subrecipient expenditures. For preventive maintenance, the grant was awarded February 28, 2019, so the January shortfall will be made up for in the months to follow.

In other categories, Passenger Service exceeded budget expectations by $2,803, or 1.90%. The mild January has clearly been of benefit to ridership.

The Investment Portfolio of the Agency continues to perform well, and exceeded budget expectations by $19,449. The non-cash portion of the portfolio yielded 2.639% in January. Our investment firm constantly reviews RTA portfolio for optimal asset allocation and a controlled average maturity because a diversified portfolio can better adjust to volatile market conditions. Current market conditions indicates the need to extend portfolios and extending now will lock in yields even though rates may decrease but at the same time provide for extra safety.

Sale tax revenue for January is estimated at $2,623,007, or 3.48% higher than 2018. The conservative approach to sales tax is in line with the recent Survey of Business Conditions [http://stedc.tamucc.edu/files/SBC Report 2018/q4], published by the South Texas Economic Development Center in collaboration with American Bank, Corpus Christi Regional Economic Development Corporation and United Corpus Christi Chamber of Commerce. The majority of survey respondents indicate improving business conditions in quarter four of 2018, though the decline in oil prices remains a concern for a regional so dependent on industry related to the resource. Management will continue to monitor sales taxes as the year progresses.
The detail of all revenue categories is presented in the following table, along with the fare recovery ratio for January 2019:

**EXPENSES**

Departmental operating expenses are presented below in accordance to their expense object category. For the month of January 2019, total departmental operating expenses realized a favorable variance of approximately $396,000. The unfavorable variance in the Purchased Transportation category is offset by the positive variance in the Salaries & Benefits category as a result of the utilization of more contracted hours for fixed route services.

In addition to the departmental operating expenses, the category of Subrecipient Grant Recipients experienced a positive variance of $60,187. Combined, this brings the positive variance in total expenses to just over $456,000. The following table presents the departmental operating expenses by object, excluding the subrecipient grant.
Expenses for street improvement allocations and depreciation are included in the detailed report following this memo.

Board of Directors Meeting Memo

March 6, 2019

Subject: Operations Report for January 2019

The system-wide monthly operations performance report is included below for your information and review. This report contains monthly and Year-to-Date (YTD) operating statistics and performance measurement summaries containing ridership, performance metrics by service type, miles between road calls and customer service feedback.
1. **System-wide Ridership and Service Performance Results**

Boardings for all services in January 2019 totaled 439,006. This represents a 6.3% increase as compared to 412,867 boardings in January 2018 or 26,139 more boardings this month.

MEETING MINUTES
Thursday, January 17, 2019

Advisory Committee Members Present: John Longoria, Richard Balli, Joyce Lopez, Dr. Deborah Stanley, Rhonda Alvarez, Christa Rasche, Randall Chisamore, and Celia Mendez

Advisory Committee Members Absent: Tammye Salinas and Donnie Contreras

Board Members Present:

Staff Present: Susan Teltschik, Sharon Montez, Michelle Martinez, Terry Klinger, Gina Salazar, and Melanie Gomez

MV Present:

Employee Representative(s) Present:

Call to Order: Mr. John Longoria called the meeting to order at 12:02 p.m. Ms. Michelle Martinez called the roll and determined that a quorum was present.

Public Comment: Ms. Gina Salazar, ATU 1769 commented that the route evaluation looked great but would like to reflect operator number and not name. Vehicles are equipped with Operator number plates and it will be more effective on the form if it reflects number. Another suggestion by Ms. Salazar was to add to the evaluation form whether name plate was displayed.

Action to Approve Meeting Minutes of October 18, 2018: approved as presented.

Mr. Randall Chisamore made a motion to adopt the RCAT Minutes of November 15, 2018 as presented; Mr. Longoria seconded the motion. Balli, Lopez, Stanley, Alvarez, Rasche, Chisamore, and Mendez voting for. Salinas and Contreras were not present.
Discussion of 3rd Quarter Unsung Hero Award:

Committee Reports:

Committee for Persons with Disabilities (CFPWD) Update:
Mr. Balli informed the committee of the ADA citation count. The total year to date citations for 2017 were 1,975. For 2018, 4238 citations, disabled parking, blocking the architecture and blocking the sidewalks.

September No-Show/Eligibility Appeals
The No-Show/Eligibility Appeals Committee was scheduled to meet on Tuesday, November 13, 2018 for no show appeals. The committee did not meet, there were no appeals.

Eligibility Appeals:
None scheduled for November.

Discussion and Approval of Route Evaluation Form:
Ms. Sharon Montez discussed that a set of meetings were held throughout 2018 to approve the route evaluation form and tentatively looking at taking Route 21 to Port Ayers @ 11:50 am and return by 12:50 pm. Motion to approve Evaluation Form by Ms. Alvarez and Second by Mr. Balli. Longoria, Lopez, Stanley, Rasche, Chisamore, and Mendez voting for, Motion Carried. Salinas and Contreras were not present.

Discussion and Approval RCAT 2019 Meeting Calendar:
Motion to approve RCAT 2019 Meeting Calendar by Dr. Stanley and Second by Ms. Mendez. Balli, Alvarez, Longoria, Lopez, Rasche, and Chisamore voting for, Motion Carried. Salinas and Contreras were not present.

Presentation CCRTA Transforming Transportation Survey Overview:
Mr. Jeremy Sirio, CCRTA Marketing Production Coordinator discussed Transforming Transportation: Surveying our communities. Mr. Sirio discussed Understanding our audience, English and Spanish Survey options, Where we are surveying; digital media, transfer stations, outreach areas, and campuses. Mr. Sirio reviewed agency goals, data analysis, present results, data utilization and future survey themes.
RCAT Liaison’s Report:
Ms. Sharon Montez presented service facts to assist newest committee members with understanding agency routes, ridership and passenger miles.

Ms. Sharon Montez presented the Hector P. Garcia Clinic Bus Stop Improvement partnership with Nueces County. Estimated cost of smart technology shelter is $25,000.00 and is projected to be completed in 7.5 months.

Ms. Sharon Montez presented before and after Demolition of the Six Points Transfer Station pictures and cost of $39,200.00.

Ms. Sharon Montez presented B-Line No Show Policy background, definitions, key changes to new policy and the next steps in which the policy will be presented to BOD in March 2019, Riders will be notified via mail-outs, websites, and audio recording.

Ms. Sharon Montez discussed new safety enhancements for CCRTA; 1. Installed card readers in East and West doors. 2. Card readers for restrooms; on first floor customers service representatives will receive 4 programmed cards and if any are missing, they will be de-programmed at the end of day. 3. Adding two non-commissioned security guards that will work Monday through Friday 6 am through 6 pm. Contract is under revision.

Chairperson’s Report:
Mr. John Longoria shared the upcoming meeting dates with the committee.

Informational Items:
Mr. Longoria shared upcoming Career Fair at Mary Grett and Dr. Stanley expanded on the event.
Mr. Longoria shared upcoming Youth Resource Fair, March 2, 2019 and Jeremy Sirio expanded on the event.

Mr. John Longoria adjourned the meeting at 12:58 p.m. The next meeting will be held on Route Evaluation on Thursday, February 21, 2019.
