

ADDENDUM NO. 1

REQUEST FOR PROPOSAL ON-BOARD MOBILE VIDEO SURVEILLANCE SYSTEM REPLACEMENT FOR BUS FLEET

RFP NO.: 2019-FP-05

Date Issued: March 12, 2019

INSTRUCTIONS:

- (1) PROPOSER is required to comply with this Addendum No. 1.
- (2) This Addendum No. 1 becomes a part of this Request for Proposal.
- (3) **PROPOSER is required to acknowledge this Addendum No. 1 in the proper place on the Certification and Statement of Qualifications form.**
- (4) For additional information, please contact Annie Hinojosa, Director of Procurement, or Sherrié Clay, Procurement Administrator, at (361) 289-2712.

This Addendum No. 1 is issued to make the following changes and clarifications on RFP No. 2019-FP-05:

1. The Corpus Christi Regional Transportation Authority (CCRTA) has provided the following correction:

ORIGINAL

1.0 GENERAL

1.1 Introduction

The CCRTA is requesting proposals from qualified firms with experience in providing and installing on-board mobile video surveillance systems on transit busses to replace existing video surveillance and recording system on 26 units of CCRTA's bus fleet. The project is to be completed six (6) weeks after an award has been made.

REVISED

1.0 GENERAL

1.1 Introduction

The CCRTA is requesting proposals from qualified firms with experience in providing and installing on-board mobile video surveillance systems on transit

busses to replace existing video surveillance and recording system on 26 units of CCRTA's bus fleet. The project is to be completed 120 calendar days after an award has been made.

2. The CCRTA's response to several questions asked during the pre-proposal conference held on March 11, 2019, are as follows:

1. Will we accept cloud based storage?
No, Local Storage.
2. Are we looking for i/p system POE or analog cameras?
Cameras / system are to be IP POE cameras
3. Is removing old analog cable a requirement
Old cable may be used as a "pull" cable where feasible and possible. There is no requirement to remove old cable from behind the panels, however, cable should be cut and removed from immediately behind cameras and from the equipment cabinets to the extent possible.
4. Please clarify 30 days and 2 terabytes of storage?
30 days of on-board availability and a minimum of two (2) terabytes of onboard storage with redundancy.
5. Is there a requirement for live streaming?
No, there is no requirement for live streaming
6. Where will the work be performed?
**CCRTA's Operations Facility
5658 Bear Lane
Corpus Christi, Texas 78405**
7. Do we require white domed cameras?
**No, black or white cameras are acceptable.
External cameras shall comply with IP68 and IK10 or comparable rating.
Internal cameras shall comply with IP66 and IK07 or comparable ratings.**
8. Is there a limit to only installing one (1) bus per day?
Although not opposed to more than one (1) bus per day, the CCRTA can only guarantee one (1) bus per day due to operational factors that may limit bus availability.
