These quantities are to be used only for the comparison of proposal and the award of this Contract and are based on past and projected usage. Contractor agrees and understands that the actual quantities to be utilized are within the sole and absolute discretion of the CCRTA. Should the actual quantities be greater or lesser than the estimates contained in the Price Schedule, Contractor agrees that, regardless of the amount of such variance, it shall not be the basis for deviating from the quoted unit prices. Further, Contractor agrees to honor quoted unit prices for the duration of this Contract.

Contractor shall maintain at all times during the term of this Contract at its sole cost and expense each of the following insurance coverage’s listed below having policy limits not less than the dollar amounts set forth:

Such insurance policies shall not be cancelled, materially changed, or not renewed, without thirty (30) days' prior written notice to the CCRTA, and the certificate of such insurance coverage shall reflect the foregoing cancellation provision. Copies of the insurance policies shall be promptly furnished to the CCRTA upon its written request after award of contract.

6. WORKERS' COMPENSATION.

Contractor shall maintain at all times during the term of this Contract at its sole cost and expense workers' compensation as required by statute and employer's liability insurance with policy limits of \$300,000 containing a waiver of subrogation endorsement waiving any right of recovery under subrogation or otherwise against the CCRTA.

6.1. The following definitions shall apply:

Certificate of coverage ("certificate") – A copy of a certificate of insurance, a certificate of authority to self-insure issued by the commission, or a coverage agreement (TWCC-81, TWCC-82, TWCC-83, or TWCC-84), showing statutory workers' compensation insurance coverage for the person's or entity's employees providing services on a project, for the duration of the project.

companies, motor carriers, owner-operators, employees of any such entity, or employees of any entity which furnishes persons to provide services on the project. "Services" includes, without limitation, providing, hauling, or delivering equipment or materials, or providing labor, transportation, or other service related to a project. 6.5. Contractor shall obtain from each person providing services on a project and furnish CCRTA:

6.5.1. a certificate of coverage, prior to that person beginning work on the project, so the CCRTA will have on file certificates of coverage showing coverage for all persons providing services on the project; and

6.5.2. no later than seven days after receipt by Contractor, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate ends during the duration of the project.

6.6. Contractor shall retain all required certificates of coverage for the duration of the project and for one year thereafter.

6.7. Contractor shall notify the CCRTA in writing by certified mail or personal delivery, within 10 days after Contractor knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project.

6.8. 6.9. Contractor shall contractually require each person with whom it contracts to provide services on a project, to:

6.9.1. provide coverage, based on proper reporting of classification codes and payroll amounts and filing of any coverage agreements, which meets the statutory requirements of Texas Labor Code, §401.011(44) for all of its employees providing services on the project, for the duration of the project;

6.9.2. provide to Contractor, prior to that person beginning work on the project, a certificate of coverage showing that coverage is being provided for all employees of the person providing services on the project, for the duration of the project;

6.9.3. provide Contractor, prior to the end of the coverage period, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the project;

6.9.4. Obtain from each other person with whom it contracts, and provide to Contractor:

A new certificate of coverage showing extension of coverage, prior to the end of the coverage period, if the coverage period shown on the current certificate of coverage ends during the duration of the project;

6.9.5. retain all required certificates of coverage on file for the duration of the project and for one year thereafter;

6.9.6. notify the CCRTA in writing by certified mail or personal delivery, within 10 days after the person knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project; and

6.9.7. Contractually require each person with whom it contracts, to perform as required by this subsection, with the certificates of coverage to be provided to the person for whom they are providing services.

6.10. By signing this Contract or providing a certificate of coverage, Contractor is representing to the CCRTA that all employees of Contractor who will provide service on the project will be covered by workers' compensation coverage for the duration of the project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier or, in the case of a self-insured, with the Commission's Division of Self-Insurance Regulation. Providing false or misleading information may subject Contractor to administrative penalties, criminal penalties, civil penalties, or other civil actions.

6.11. Contractor's failure to comply with any of these provisions is a breach of contract by Contractor which entitles the CCRTA to declare the Contract void if

Contractor does not remedy the breach within 10 days after receipt of notice of breach from the CCRTA.

7. INDEMNIFICATION.

Contractor shall indemnify and hold harmless the CCRTA, its officers, employees, agents, attorneys, representatives, successors and assigns from any and all claims, demands, costs, expenses (including attorney's fees and expert witness fees), liabilities and losses of whatsoever kind or character arising out of or in connection with any act or omission of Contractor or its officers, employees or agents, during the term of this Contract. Contractor shall assume on behalf of the CCRTA and the indemnified parties described above, and conduct with due diligence and in good faith, the defense of any and all such claims, whether or not the CCRTA is joined therein, even if such claims be groundless, false or fraudulent.

8. INDEPENDENT CONTRACTOR.

At all times during the term of this Contract, Contractor shall be an independent contractor to the CCRTA, and Contractor shall not in any event be deemed an employee or other representative of the CCRTA. Any persons employed by Contractor shall at all times hereunder be deemed to be the employees of Contractor, and Contractor shall be solely liable for the payment of all wages and other benefits made available to such employees in connection with their employ. Contractor shall remain solely responsible for the supervision and performance of any such employees in completing its obligations under this Contract. Contractor warrants that any such employees shall be fully covered by workers' compensation insurance and that each of such employees has been carefully screened as to character and fitness for the performance of his or her job.

9. ASSIGNMENT.

Contractor shall not assign or subcontract any of its rights, duties or obligations under this Contract without prior written consent of the CCRTA. Contractor shall be entitled to assign, pledge or encumber its right to receive payments under this Contract pursuant to security interests created in conformity with the Uniform Commercial Code so long as the CCRTA shall never be obligated to negotiate with any such third party in respect to compliance with the terms and conditions of this Contract. Any such assignment, pledge or encumbrance shall be limited by any rights of offset by the CCRTA for damages or claims arising under this Contract or any other obligation owed by Contractor to the CCRTA.

10. AMENDMENTS.

No amendments, modifications or other changes to this Contract shall be valid or effective absent the written agreement of both parties hereto.

11. TERMINATION.

The CCRTA shall have the right to terminate for default all or any part of its Contract if Contractor breaches any of the terms hereof or if Contractor becomes insolvent or files any petition in bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies which the CCRTA may have in law or equity, specifically including, but not limited to, the right to sue for damages or demand specific performance. The CCRTA additionally has the right to terminate this Contract without cause by delivery to Contractor of a "Notice of Termination" specifying the extent to which performance hereunder is terminated and the date upon which such termination becomes effective.

12. ADVERTISING.

Contractor shall not advertise or publish, without the CCRTA's prior consent, the fact that it has entered into this Contract, except to the extent necessary to comply with proper requests for information from an authorized representative of the federal, state or local authorities.

13. GRATUITIES.

No gratuities in the form of entertainment, gifts, or otherwise, shall be offered or given by Contractor, or any agent or representative of Contractor, to any officer or employee of the CCRTA with a view toward securing a contract or securing favorable treatment with respect to a contract.

14.2. Identify itself as an "Equal Opportunity Employer" in all help wanted advertising or requests.

Contractor shall be advised of any complaints filed with the CCRTA alleging that Contractor is not an equal opportunity employer. The CCRTA reserves the right to consider such complaints in determining whether or not to terminate any portion of this Contract for which the services have not yet been performed; however, Contractor is specifically advised that no equal opportunity employment complaint will be the basis for denial of payment for any services already completed.

15. ENFORCEABILITY.

This Contract shall be interpreted, construed, and governed by the laws of the

United States and the State of Texas and shall be enforceable in any state court of competent jurisdiction in Nueces County, Texas. Contractor shall comply with all applicable laws and regulations in performing under this contract.

16. NOTICES.

Notices shall be given to the parties by delivering or mailing such notice to the addresses set forth in the Contract documents, or at such other addresses as the parties may designate to each other in writing.

17. INTERPRETATION.

This writing is intended by the parties as a final expression of their agreement and is intended also as a complete and exclusive statement of the terms thereof. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used herein, and acceptance of a course of performance rendered under this Contract shall not be relevant to determine the meaning of this Contract even though the accepting party has knowledge of the performance and opportunity for objection.

18. LIQUIDATED DAMAGES

For this RFP, liquidated damages have been included as part of the Scope of Work. Said damages are not imposed as a penalty but as an estimate of the damages that the CCRTA will sustain from delays or poorly performed work. These damages by their nature are not capable of precise proof. The CCRTA may withhold the amount of liquidated damages from monies otherwise due the CONTRACTOR.
