7. **OPENING PROPOSALS.**

All proposals shall be opened by the CCRTA as soon after the proposal deadline as is reasonably practicable. Information submitted in response to the Request for Proposals shall not be released by the CCRTA during the proposal evaluation process or prior to Contract award. Proposers are advised that the CCRTA may be required to release proposal information, other than trade secrets, after Contract award.
8. **EVALUATION FACTORS.**

8.1. The CCRTA will award contracts based upon the criteria set forth in the Request for Proposals. Contracts may be awarded on a lump sum basis or on a unit price basis, provided that in the event a contract specifies a unit price basis, the compensation paid by the CCRTA shall be based upon the actual quantities supplied.

8.2. Pre-award inspection of the proposer's facility may be made prior to the award of the Contract. Proposals will be considered only from firms that are regularly engaged and licensed in the business of providing the goods and/or services described in the Request for Proposals for a reasonable period of time; and have sufficient financial support, equipment, and organization to ensure that they can satisfactorily execute the services if awarded a Contract under the terms and conditions herein stated. The terms "equipment" and "organization" as used herein shall be construed to mean a fully-equipped and well-established company in line with the best business practices in the industry as determined by the CCRTA. In making the award, the CCRTA may consider any evidence available to it of the financial, technical, and other qualifications and abilities of a proposer, including past performance (experience) with the CCRTA and other similar customers. A record of nonperformance or poor performance may disqualify a proposer from award.

9. **ELIGIBILITY FOR AWARD.**

9.1. In order for a proposer to be eligible for award of the Contract, the proposal must be responsive to the Request for Proposals; and the CCRTA must be able to determine that the proposer is responsible to perform the Contract satisfactorily.

9.2. Responsive proposals are those complying with all material aspects of the Request for Proposals. Proposals which do not comply with all the terms and conditions of the Request for Proposals will be rejected as non-responsive.

9.3. Responsible proposers at a minimum must:

9.3.1 Have adequate financial resources or the ability to obtain such resources as required during the performance of the Contract;

9.3.2 Have a satisfactory record of past performance;

9.3.3. Have necessary management and technical capability to perform;

9.3.4. Be qualified as an established firm regularly engaged in the type of business to perform the Contract required by this Request for Proposals;

9.3.5 Be otherwise qualified and eligible to receive an award under applicable federal, state, county, or municipal laws and regulations; and
9.3.6 Certify that it is not on the U.S. Comptroller General’s list of ineligible contractors – signing and submitting the proposal is so certifying. (NOTE: This requirement is only applicable to federally-funded contracts.)

9.4. A proposer may be requested to submit written evidence verifying that it meets the minimum criteria necessary to be determined a responsible proposer. Refusal to provide requested information shall result in the proposer being declared not responsible, and the proposal shall be rejected.

10. RESERVATION OF RIGHTS.

The CCRTA expressly reserves the right to:

10.1. Reject or cancel any or all proposals;

10.2. Waive any defect, irregularity or informality in any proposal or proposal procedure;

10.3. Waive as an informality, minor deviations from specifications at a lower price than other proposals meeting all aspects of the specifications if it is determined that total cost is lower and the overall function is improved or not impaired;

10.4. Extend the proposal due date;

10.5. Reissue a Request for Proposals;

10.6. Procure any item or services by other means;

10.7. The CCRTA reserves the right to retain all proposals submitted. The selection or rejection of a proposal does not affect this right; and

10.8. The CCRTA reserves the right to negotiate a Contract with the proposer having the best evaluation as determined by the CCRTA. No award will be made automatically based upon the lowest price or based solely on the proposal submitted. The CCRTA additionally reserved the right to suspend negotiations with the first proposer should it not progress in a manner satisfactory to the CCRTA and commence negotiations with the next best rated proposer.

11. ACCEPTANCE.

Acceptance of a proposer’s offer in some instances will be in the form of purchase orders issued by the CCRTA. Otherwise, acceptance of a proposer’s offer will be by acceptance letters issued by the CCRTA. Subsequent purchase orders and release orders may be issued as appropriate. Unless the proposer specifies otherwise in the proposal, the CCRTA may award the contract for any item or group of items shown on the Request for Proposals.
12. **PROTESTS.**

In the event that a proposer desires to protest any procedure, the proposer should present such protest, in writing, to the CCRTA Chief Executive Officer within five (5) business days following board approval of an award. The protest shall state the name and address of the protestor, refer to the project number and description of the Request for Proposals, and contain a statement of the grounds for protest and any supporting documentation. For federally-assisted contracts, certain additional protest procedures apply and may be found in the Supplemental Conditions contained within the Request for Proposals.

13. **EQUAL OPPORTUNITY.**

Proposers are expected to comply with the Affirmative Action Programs of the CCRTA with respect to its provisions concerning contractors.

14. **SINGLE PROPOSAL.**

14.1. In the event a single proposal is received, the CCRTA will, at its option, either conduct a price and/or cost analysis of the proposal and make the award by negotiation or reject the proposal and revise the Request for Proposals. A price analysis is the process of examining the proposal and evaluating a prospective price without evaluating the separate cost elements. Price analysis shall be performed by comparison of the price quotations, with published price lists, or other established or competitive prices. The comparison shall be made to a purchase of similar quantity and involving similar specifications. Where a difference exists, a detailed analysis must be made of this difference and costs attached thereto.

14.2. Where it is impossible to obtain a valid price analysis, it may be necessary for the CCRTA to conduct a cost analysis of the proposal price. Cost analysis is the review and evaluation of a proposer’s cost or pricing data and of the factors applied in projecting from such data the estimated costs of performing the contract, assuming reasonable economy and efficiency.

14.3. The price and/or cost analysis shall be made by personnel of the CCRTA’s selection. The CCRTA’s discretion exercised as to its options in this regard shall be final.

15. **FORM 1295 “CERTIFICATE OF INTERESTED PARTIES”**

(Only required to be submitted upon notification of recommendation for award.)

Proposers must comply with Government Code Section 2252.908 and submit Form 1295 “Certificate of Interested Parties” upon notification that Proposer has been recommended for award. Form 1295 requires disclosure of “interested parties” with respect to entities that enter contracts with cities. These interested parties include:

(1) persons with a “controlling interest” in the entity, which includes: a. an ownership interest or participating interest in a business entity by virtue of units, percentage, shares, stock or otherwise that exceeds 10 percent; b. membership on the board of directors or other
governing body of a business entity of which the board or other governing body is composed of not more than 10 members; or c. service as an officer of a business entity that has four or fewer officers, or service as one of the four officers most highly compensated by a business entity that has more than four officers; or

(2) a person who acts as an intermediary and who actively participates in facilitating a contract or negotiating the contract with a governmental entity or state agency, including a broker, adviser, attorney or representative of or agent for the business entity who has a controlling interest or intermediary for the business entity.

Form 1295 must be electronically filed with the Texas Ethics Commission at https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm. The form must then be printed, signed, and filed with the CCRTA. For more information, please review the Texas Ethics Commission Rules at https://www.ethics.state.tx.us/legal/ch46.html. A Sample Copy of Form 1295 has been provided for reference only.

POLICY STATEMENT

To provide full participation and equality of opportunity for people with disabilities, people who are aging and other people with access and functional needs, the Corpus Christi Regional Transportation Authority (CCRTA) Board of Directors calls for all CCRTA departments, within their regular duties and responsibilities, to establish a commitment to access.

APPLICABILITY

This policy statement is broad, cross-cutting and designed for application to all actions of the CCRTA, including but not limited to the following:

- Policy Development
- Customer Service
- Service Provision and Operation (Directly Provided or Contracted)
- Employment
- Physical Environment
- Communications/Media/Website
- Public Involvement
- External Meetings and Agency Sponsored Events
- Fleet Characteristics
- Maintenance
- Safety/Security/Emergency Operations
- Procurements
- Staff Development and Training
- Construction and Engineering
- Route and Service Planning

IMPLEMENTATION

Effective implementation of the Accessibility Policy statement begins with the establishment of a Universal Access Team. Each CCRTA department will designate sufficient and appropriate team
members to serve and meet monthly to ensure compliance with the policy. This team will help develop guiding principles in conjunction with the CCRTA Regional Committee on Accessible Transportation (RCAT). Meeting of the Universal Access Team will be coordinated through the designated CCRTA ADA Coordinator and report current activities and initiatives to the Chief Executive Officer (CEO).

Support of all CCRTA staff will include initial and ongoing training and professional development regarding integration and elimination of barriers for people with disabilities, people who are aging and other people with access and functional needs.

Additional tools available to all CCRTA staff will include the use of an Impact Statement (approved by the CEO) to ensure an effective outcome. The Impact Statement will provide for the review of programs, projects, and developing or ongoing CCRTA services that answer, at a minimum, the following questions:

- Are any barriers being created for people with disabilities, people who are aging and other people with access and functional needs?
- Is CCRTA enhancing access and integration for people with disabilities, people who are aging and other people with access and functional needs?
- Does the program, project, or service result in the most integrated setting appropriate for people with disabilities, people who are aging and other people with access and functional needs?
- Has CCRTA taken steps to reduce or eliminate any negative impacts?

POLICY REVIEW

Review of this policy will be done no less than annually or more frequently as needed. To complement the review, CCRTA staff through the Universal Access Team will establish procedures and conduct the following:

- Establish Review Baseline
- Conduct Internal Review of Regulatory Compliance to include an ongoing ADA Performance Monitoring Program for all modes of transportation
- Self-Evaluation Review and Update
- ADA Transition Plan Review and Update
- Establish Best Practices and Lessons Learned Components
